

# U. S. ARMY BALLOON WRECKED; 2 DEAD

## SAYS GOVERNOR RESORTING TO INTIMIDATION

Oklahoma Solon Charges  
Gunmen Employed  
By Walton

### SEEK INTERVENTION

Both Sides Say Federal  
Investigation Would  
Be Welcome

Oklahoma City, Okla., Sept. 24.—Gunmen and secret service operatives in the employ of Governor J. C. (Iron Jack) Walton are circulating throughout the state intimidating legislators who are planning to assemble here Wednesday to impeach the governor, Representative W. D. McBee, leader of the legislative fight to impeach Walton asserted today.

The "intimidators," he said, "number at least 25. Some of them, he declared, "are hardened paroled convicts."

McBee said that "regardless of this disgraceful procedure, he could promise that within 48 hours 78 members of the lower house will be in Oklahoma City to attempt a peaceful assembly."

Governor Walton today turned forth a barrage of ridicule on the knights of the "Invisible Empire" and took occasion to deny flatly the statement of Rev. W. D. McBee, leader of the anti-Waltons that there was any intimidation of legislators who plan to meet here Wednesday to impeach the governor.

Oklahoma City, Okla., Sept. 24.—Federal intervention in or investigation of the entire seething situation in Oklahoma, including his own charge of super-government here by the "invisible empire" and the counter-charge against him of military despotism and autocratic rule, would be welcomed by Governor J. C. Walton in his final fight now being waged against the Ku Klux Klan.

"And it may come to federal intervention before it is over," said the governor.

The governor had been asked what would be his attitude toward submission of the issues to United States courts for ruling on moot legal questions, or to other federal governmental agencies for investigation. "I would welcome it," he replied. "Yes, sir; it would definitely settle the matter. That is what is needed. Then there could be no further denial of the existence of the situation I charge exists here. I am that confident."

A few hours earlier certain members of the legislative quorum seeking to assemble itself for the purpose of impeaching the governor had urged openly that presidential intervention "to preserve a republican form of government" be sought in Oklahoma. It was suggested that President Coolidge be appealed to for intervention and designation of a federal military court of inquiry to sift evidence for the "real facts in the case."

C. D. McBee, leader of the legislative quorum, said that his organization would try every way to meet peacefully and quietly, and reiterated the assertion that force would not be met by force either in offensive or defensive tactics. McBee charged that every form of coercion and duress and threat was being thrown in the way of legislators to prevent their coming here for assembly Wednesday.

One man prominent in the initiation in the impeachment movement said that his closest friend had come to him and warned that if he joined other legislators in trying to enter the assembly chamber at the state house Wednesday he "would be walking into a death trap." "I don't believe this," said this man. "I don't think anyone is going that far, especially since we aren't going to show any belligerence."

The soldiers are doubly active now in enforcing the midnight curfew law and in scrutinizing suspicious strangers in the city. Congregation of any number of opposing forces here under the guise of state fair crowds is being guarded against.

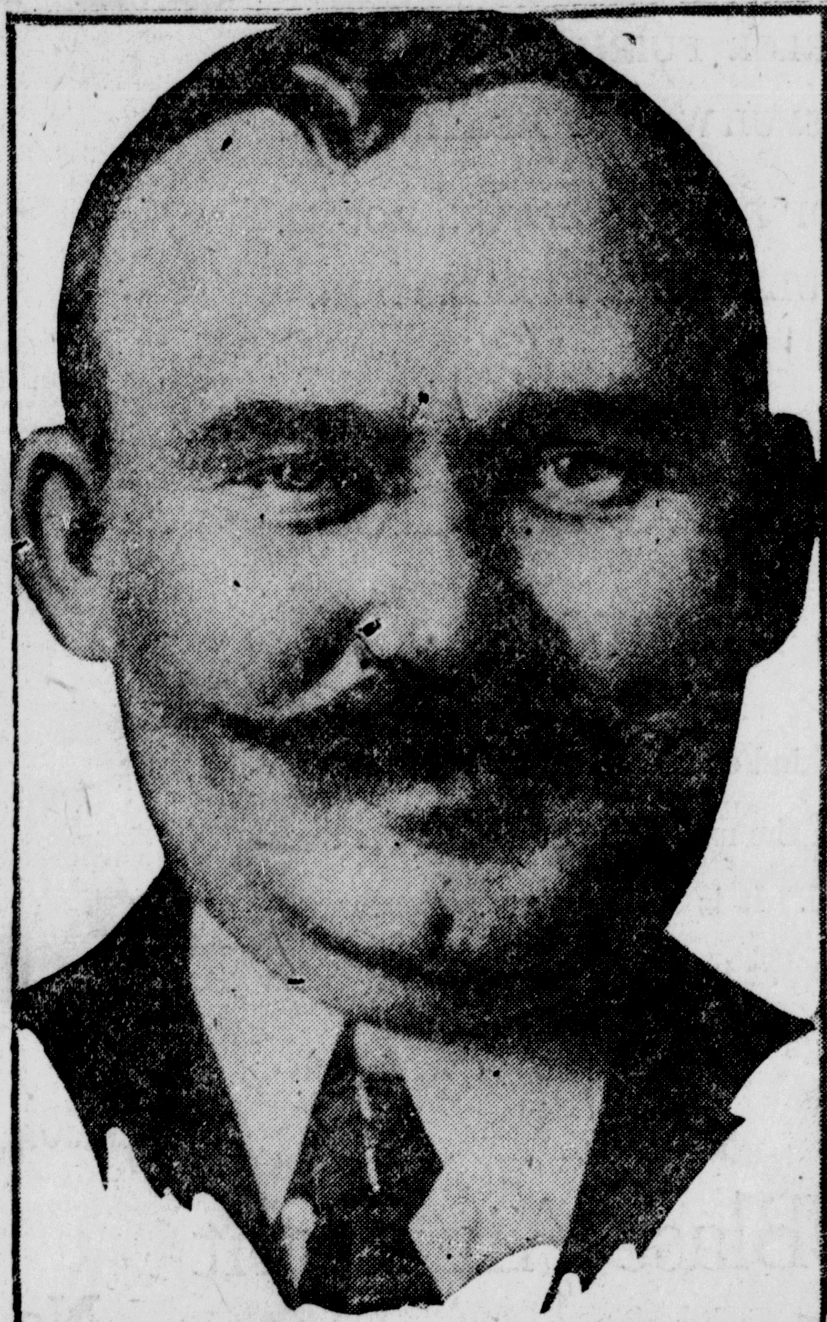

The governor was questioned about his political aspirations. He was asked point blank if he was now or planned to be a candidate for the United States senate to succeed Senator Owen in 1924, and he said, "No, sir."

### IRISH IRREGULAR RELEASED.

Dublin, Sept. 24.—Wan Breen, one of the leaders of the Irish irregulars, has been released from Mount Joy prison after a hunger strike.

## RIOTING REPORTED IN GERMANY

REPORT SEMENOFF DEAD IN EARTHQUAKE

General Semenov

A dispatch from Peking says General Semenov former Commander-in-Chief of the All-Russian Armies and later anti-Bolshevik leader in Siberia was killed, together with a group of his followers, in the earthquake in Yokohama. Semenov came into

prominence in 1918 when he headed the armed movement to break the control of the Reds along the Trans-Siberian Railway. He was the most prominent of the "White" or anti-Bolshevik leaders, until his army was cut to pieces. He visited the United States in 1922.

## CIVILIZATION RELYING MORE ON MORAL FORCE SAYS COOLIDGE

Washington, Sept. 24.—The hope of real progress in the future lies in the knowledge that "civilization is coming to rely more and more upon moral force" rather than armies and navies for the settlement of world problems, President Coolidge declared today in an address before the annual convention of the American Red Cross in Continental Memorial Hall.

"The American Red Cross," the president said, "is a spiritual conception of human relationship. It is a life in obedience to the things that are unseen."

"Throughout history men have been prone to put their trust in other things and have failed. They have sought power through material resources alone. They have thought it might be gained by the accumulation of great riches. They have attempted to rely upon naked force of arms and navies conquering by the might of the sword. They are necessary for security, as police and criminal courts and bolts and bars are necessary."

"They are adjuncts of peace. But they are negative forces. They do not create, they resist. They are not the ultimate force in the world. They do not make the final determination among men. Over them is a high power."

"Mankind has not yet, can not yet, discard the use of these forces. It is significant, however, that the great nations have at last agreed upon their limitation but it is even more significant that civilization is coming to rely more and more upon moral force."

This was Mr. Coolidge's first public address since he became president. As President also of the Red Cross Mr. Coolidge formally opened the convention which was attended by more than a thousand delegates from all over the country. Members of the cabinet a number of foreign diplomats and many other government officials heard the president's address.

In the spiritual conception of world

relationships, Mr. Coolidge pointed out lies the hope of real progress. But the ideals of human brotherhood and service and peace "are idle dreams unless they can be translated into action."

"It is necessary on the other hand to avoid the illusions of the visionaries, and on the other hand the indifference of the selfish," he said.

"Each individual and each nation owe their first duty to themselves. Beyond that there is the obligation of the strong to serve the weak but to administer such service in a way that will not destroy or degrade by making mendicants but will restore and strengthen by making character. It is the policy which helps in an emergency but realizes that, finally, each individual and each nation must work out their own destiny."

## MARION NEWSPAPER SUSPENDS MONDAY

Marion, O., Sept. 24.—The Daily Tribune established in 1841, suspended publication today. The Tribune had a circulation of 7,000 which has been taken over by the Marion Star, formerly the late President Harding's newspaper.

In an announcement of the suspension of publication, the Tribune pointed out that it had been fighting a losing fight with the Star, and that Marion, a city of 30,000 is not large enough to support two daily papers. The Marion Star, taking over the circulation of the Tribune, has announced itself as planning to treat fairly all political questions and other factional interests.

### WOMAN SLAIN.

Youngstown, O., Sept. 24.—Mrs. Mary Kovall, 31, mother of three children, was shot and killed in her home here, and police are hunting for her husband, Steve Kovall, who, they charge, did the shooting.

## THINK COUNTRY IS ABOUT READY TO CAPITULATE

Government, It Is Said, De-  
cides to Surrender  
Unconditionally

### FRENCH ARE FIRM

Revolt Movement Will Be  
Sternly Suppressed It  
Is Announced.

Berlin, Sept. 24.—Riots and violent deaths were reported from various quarters of Germany today. Five persons were killed and 11 wounded in fighting between police and communists near Wiedersich.

Six workers and two policemen were seriously wounded in a clash at Gleiwitz.

At Lorrach, unemployed men overpowered police and locked them up in the town hall. Police reinforcements later liberated them.

One person was killed and many wounded in violent riots that raged in Dresden. Mounted police were overpowered when they tried to restore order. Later they gained the upper hand.

Thirty persons were taken to hospitals at Treves following a violent battle between Rhineland separatists and political enemies. The separatists were attacked with sticks, umbrellas, canes, stones and pieces of lead pipe.

Berlin, Sept. 24.—The Berlin government's warning that any movement of revolt, right or left, would be sternly suppressed, is likely to have a sobering effect.

The warning was considered necessary in view of the government's reported contemplated decision on unconditional surrender, which is being submitted to the full cabinet, and to the party leaders, representatives of employers in the Rhine and Ruhr, and to the premiers of the reich states.

The cabinet at its extraordinary session did not come to any final decision in the matter, but unless the plan is rejected by the cabinet, and then the various groups to whom the problem is presented, the capitulation of Germany will be announced to the world in the form of a proclamation Tuesday or Wednesday.

The decision of the government to give in had been taken reluctantly, but was inevitable in view of the refusal of France to make any concession to Germany regarding the release of arrested Germans or the return of deported citizens of the occupied areas. The French ambassador here stated that he was not prepared to agree to anything short of unconditional surrender in the form of renunciation of all the resistance decrees passed by the Cuno cabinet.

It is understood that the proclamation will state that owing to the intense misery of the population, Germany feels compelled to terminate the resistance against the breach of international law represented by the Ruhr occupation, and withdraws all decrees furthering that object.

The proclamation will also state that Germany has a right to expect amnesty for all prisoners, freedom of work for employers and employed, the resumption of German administration in the Ruhr, and unrestricted communication.

Germany is highly electric. In Bavaria and Saxony menacing clouds are gathering. Demonstrations at Munich have denounced the idea of capitulation. In Leipzig the government troops are concentrating. There were street battles in Dresden between the police and workers. Despite repeated charges by the police the rioters have raided shops and held up the tramcars.

cluding the reichstag and diet members, held a meeting at which Herr Zeigner, Saxony's radical premier, spoke by invitation regarding his conduct. The Socialists in Greater Berlin, in conflict with Minister of Defense Gessler. A resolution demanding that the Socialists withdraw from the cabinet was tabled for a week. President Ebert and the Socialist members of the government are depressed by the action of the Socialists.

### MURDER AND SUICIDE.

Massillon, O., Sept. 24.—Joseph Brownell, 31, shot and killed his wife, Ethel, 26, with a shotgun, in their apartments here and then committed suicide by shooting himself through the head with the same weapon. Police say the murder and suicide followed a quarrel between Brownell and his wife.

## Ministerial Crisis In Bulgaria Is Reported

Belgrade, Sept. 24.—A ministerial crisis has developed in Bulgaria, according to a report from the frontier today. Minister of Justice Smiloff has resigned.

Jugo-Slavia has concentrated two divisions of troops along the southern frontier to prevent Macedonian raids.

The Bulgarian government asked when the troops would be removed, Belgrade replied that the troops would be maintained on the border until the situation becomes tranquil. A few isolated disturbances have been reported. The Bulgarian government is reported to have issued a decree for mobilization of all reserve under officers.

Sofia, Sept. 24.—(Censored)—Small scale fighting between communists and government forces was reported southeast of Maslych today.

The government claims to have put down the red revolt.

Many rebels are still being pursued through the hills where they fled. Numerous arrests continue.

During a communist raid M. Gu-

cheff, a young architect and a brother of the wife of the Bulgarian minister to Czechoslovakia, was killed.

Nationalist feeling against the Communists is growing stronger daily.

## San Francisco Teacher Killed in Japan.

Miss Evelyn Mantell

Miss Evelyn Mantell, a San Francisco school teacher, has been officially reported as having lost her life in the earthquake and fire in Yokohama, Japan. She was on a six months' leave of absence for a tour of the Orient, and arrived in Yokohama only two days before the disaster.

## HOLD LEGISLATIVE RE-UNION IN OHIO

Cincinnati, Sept. 24.—More than 250 members of the Ohio General Assembly and other state officials are expected to arrive in Cincinnati today for the legislative reunion to be held this week. A varied program of entertainment has been arranged including sightseeing trips. The entire party will leave on a special train Wednesday for Chattanooga, Tenn., and will spend Thursday in the mountains in the vicinity of that city. On the trip to Chattanooga the officials will be the guests of the trustees of the Cincinnati Southern railway which is owned by the City of Cincinnati.

### WOULD END LIMA STRIKE.

Columbus, Sept. 24.—Finding that absentee ownership of a utility corporation usually leads to misunderstanding, Herman Witter, director of industrial relations, wrote T. H. Newhall of the Drexel-Morgan company, Philadelphia, majority owner in the Lima Street Railway company, asking that he come to Lima to make an effort to settle the strike now on in that city. In his letter, Mr. Witter points out that personal prejudice seems to be standing in the way of a settlement of the controversy.

### VISCOUNT MORLEY DEAD.

London, Sept. 24.—Viscount Morley of Blackburn died at 7:10 o'clock last night. Heart failure was the announced cause of his death. He held many posts of importance in the government service, including chief secretaryship for Ireland.

### BIG STILL CONFISCATED.

Youngstown, O., Sept. 24.—State dry agents found an apparatus of 550 gallons capacity in a house in the residential district here. Tony Sipps, said to be an employee of the owner, was arrested.

## GOVERNMENTS LEDGER TO SHOW SURPLUS OF 400 MILLIONS

Washington, Sept. 24.—The government's ledger will show a surplus of \$400,000,000 this fiscal year as a result of a steadily increasing income and the administration's economy program, treasury officials estimated today. This figure is double that of previous surplus estimates and practically assures a reduction of federal taxes by the next congress.

What form tax reduction will take is not yet officially known. The Treasury Department's experts are studying the question but have not yet submitted their conclusions to Secretary of the Treasury Mellon. The secretary will defer for some time announcement of his recommendations to congress. His annual report goes to congress in December, soon after it convenes. His recommendations, however, will be framed with in the next thirty days, as some of the phases of tax reduction already have been the subject of discussion by the president and his cabinet.

Strong pressure will be exerted in both the House and Senate for lowering the rates on moderate incomes. Advocates of this plan are gaining new support and indications are that unless this is done they will oppose efforts of the administration to reduce, surtax rates on large incomes.

Soldiers' bonus supporters are heartened by the certain prospect of a big treasury surplus, as they figure it will stimulate the campaign both for a bonus and for tax reduction. Bonus supporters do not anticipate that the tax reduction program will militate against them.

## PILOTS KILLED WHEN LIGHTNING STRIKES CRAFT

Disaster Overtakes Air-  
craft Entered in Big Race  
In Brussels

### OTHERS ARE KILLED

Spanish Balloon Also Re-  
ported Destroyed Dur-  
ing Storm.

Brussels, Sept. 24.—The United States Army balloon S-6 which started in the race for the James Gordon Bennett cup was struck by lightning near Nistelrode, Holland, killing the pilot Lieutenant Olmstead and his assistant, Lieutenant Shoptaw, said a dispatch received at race headquarters today. The balloon fell in flames.

The balloons ran into a violent thunder and lightning storm which played havoc with them. Up to noon word had been received of the death of five men and the serious wounding of another.

The Swiss balloon Zurich, piloted by M. Picard, was forced by snow to land 20 miles south of Eindhoven. At 1:30 o'clock this afternoon ten of the balloons were still unaccounted for.

President Jacobs of the aero club of Belgium, formally visited Henry P. Fletcher, the American ambassador, tendering the condolences of the air organization.

Major Wash, air officer attached to the United States embassy has made plans to go to Holland for the bodies after Fletcher has arranged with the Dutch authorities to allow them to be shipped to Brussels.

The United States has no military attaché in Holland.

Destruction of the Spanish balloon Polar at Heyst took place amidst dramatic circumstances. The balloon was flying at an altitude of 1200 meters when spectators below saw a flash of lightning. It was followed by a loud crash like thunder. The balloon began to fall but the pilot threw out the sand ballast and it remounted. Then it burst into flames.

The Polar crashed to earth, a twisted, burning mass, killing the assistant pilot, Lieutenant Gomez, and breaking the leg of Lieutenant Penaranda, the pilot.

All the Americans are out of the race. The U. S. Navy balloon A-6599 piloted by Lieut. Lawrence, landed safely near Cutten, Holland, while the third American entry, piloted by Ralph Honeywell, failed to start.

The first intimation the Belgian aero club had of the American tragedy was receipt of a telegram at 9:45 o'clock signed by a Dutch doctor. He said that the charred wreckage of a balloon had fallen near Nistelrode and that the occupants, both dead, had been identified as Lieuts. Olmstead and Shoptaw.

This was only one of a series of messages telling of disaster and death.

Two Swiss Lieutenants had been killed when the Swiss balloon Geneva was struck by lightning near Beverlee and fell like a comet with a tail of flames and smoke trailing out behind. The victims were Lieuts. Von Gruningen and Whergen.

One of the three Spanish balloons crashed near Heyst Greer, killing the pilot, Lieut. Penaranda and breaking the leg of his assistant, Lieut. Gomez. Seventeen balloons, including two Americans got away at the start. Before the get-away Lieut. Olmstead told International News Service in an interview he was positive the cup would be won by the United States.

Lieut. Robert Olmstead lived in Boston and he was regarded as the "hope of the American army" in the contest.

The French balloon Fernande, piloted by Lieut. Blacet, was forced by the storm to land near Antwerp.

## SAYS GERMANY NOT TREATED HARSHLY

Paris, Sept. 24.—"The slope downward is steep and it is not France who is sliding," declared Premier Poincare in a speech at Champenoux, in Lorraine, on the subject of reparations. "Germany has not been treated harshly," said the French premier. "On the contrary she has been treated with a moderation of which history offers few examples. France, which spends millions daily on Germany's account in rebuilding the devastated regions, can not much longer continue these expenses which are ruining her, nor can she afford to cease reconstruction. Therefore Germany must pay."

Paris newspapers hail the premier's speech, which is more moderate than his usual utterances, as "the last warning to Germany."

## RE-APPOINTMENT OF TEACHERS IS MADE AT WILBERFORCE

Difficulties, which it is said have resulted in tying up finances of the Combined Normal and Industrial Department, the state supported department, at Wilberforce University, so that teachers and other employees have not received their salaries since June, were ironed out at a joint meeting of the C. N. and I. Board with the State Board of Control held at the institution Saturday.

Action of the joint board included re-appointment of teachers said to have been displaced by a minority faction of the C. N. and I. Board and the re-instatement to official position of William Berry deposed superintendent of the department. It is understood that the appointment of Richard C. Bundy as finance officer to succeed Berry had never been approved by the State Board of Control and resulted in salaries being tied up.

Re-instated teachers are Miss Lucinda Cook, director of the normal department, who, according to reports from Wilberforce was demoted and her salary reduced when May Dorsey was appointed to that position and the re-appointment of Miss Anna A. O'H. Williamson, Miss Cook's assistant. Dorsey, briefly at the head of the normal department, was made a teacher in the normal department. Mrs. Josephine T. Washington, deposed preceptress of women, was replaced in that position and Berry was made professor of agriculture and director of extension work it was learned Monday.

The alleged difficulties are said to have begun with the election of Richard C. Bundy to the superintendency of the state department and finance officer in place of William Berry, at a meeting of a minority faction of the C. N. and I. Board last July.

The State Board of Control refused to approve Berry's removal it is said, and the position of finance officer, then became an empty title to Superintendent Bundy who has since been unable to administer state funds for the operation of the department resulting in employees salaries going unpaid.

At the meeting of the Board in July it is alleged, the minority faction obtained control and removed Mrs. Washington as preceptress of women. The faction is also said to have displaced Miss Lucinda Cook, director of the normal department, demoting her with a lesser salary and making Ray Dorsey head of that department. The demotion is also said to have affected Miss Williamson, assistant to Miss Cook, who was also given a reduced salary.

Contention arose on the ground that the faction that obtained control of the meeting, said to have been led by Norman Fort of Cleveland, Sully Jaymes, Springfield attorney and Dr. Frank Johnson of Cincinnati, had no authority to put these removals in effect because it was alleged there was not a quorum of board members present. Berry contended his removal was illegal in the face of the new law passed by the last legislature which gave the controlling board the authority to sanction the election of a superintendent and financial officer.

The report of state examiners who recently completed an examination at the institution led to the arrangements for the joint meeting re-appointed Miss Cook as director of the normal department at a salary of \$2,000 and also Miss Williamson as her assistant at a salary increase. The joint meeting also appointed Berry professor of agriculture and director of extension work at a salary of \$3,000 a year re-elected Mrs. Washington as preceptress of women and made Dorsey a teacher in the normal department. The combined meeting also appointed Alonzo DeLeon of Springfield, as head of the normal training department in which a vacancy has existed for some time.

The old list of teachers originally passed by the full board was approved by the joint board and Superintendent Bundy was given assurance by the controlling board that he will be officially recognized by the board as finance officer of the C. N. and I. Department, which assures employees they will be paid their salaries at once.

## C. R. YEAKLEY DIES SUNDAY AT NOON

Charles R. Yeakley, 59, bridge foreman of the Pennsylvania railroad, died at his home, 236 Chestnut Street, Sunday at noon, after a lingering illness. Mr. Yeakley had been ailing for the past two years, his condition becoming serious within the last few weeks.

He was born in Virginia, February 20, 1864. He had resided in Xenia a number of years, and was employed on the Pennsylvania railroad for 27 years.

Mr. Yeakley's marriage of Miss Anna Harshman, took place April 26, 1891. His wife survived him with the following children, W. E. Yeakley, Clarence V. Yeakley, Mrs. Florence V. Jay, all of Xenia; Mrs. Marie L. Deems, Columbus; Robert, and James Ralph, at home.

Four brothers, Carson Yeakley, and Dorsey Yeakley, of Winchester, Virginia; Martin Yeakley, Troy; and Edward Yeakley, of Dayton; with one sister, Mrs. Carrie Cole, Dayton, also survive.

Mr. Yeakley was a member of the First M. E. Church and of the Odd Fellows Lodge, No. 59. Funeral services will be held Wednesday afternoon at two o'clock at the late home with interment at Woodland Cemetery.

## DIES SATURDAY

Mrs. Jennie Cooper, 71, died at her home on the Reel Road, near Dayton, Saturday evening at 9:45 o'clock.

She leaves four sons, one daughter, one sister, and one brother, all of whom live in or near Dayton. Funeral services will be held Tuesday afternoon at 1:30 o'clock at Mt. Zion Church and burial will be made in Mt. Zion Cemetery.

## He Furnishes Sunshine In the Winter

W. G. Moore, m. r.

By the remarkable invention of W. G. Moore, of London, of a specially concentrated arc evolved from electrodes made from a special alloy of rare metals, Wolfson Rays are made. When concentrated upon any spot in the human body these extreme ultra-violet rays increase the red blood cells and haemoglobin.

## MRS. E. A. GOWDY CALLED BY DEATH

Mrs. Elma A. Gowdy, 91, widow of George Gowdy, and pioneer Xenia resident, died at the Odd Fellows Home, Springfield, Sunday morning at seven o'clock. Mrs. Gowdy had suffered an attack of grip, recently, from which she had not fully recovered, and combined with the infirmities of age, caused her death.

Mrs. Gowdy was born in Xenia, November 10, 1832, and had lived all of her life in this city, until about a year and a half ago, when she went to the Springfield home to reside. Besides a number of nephews and nieces, no near relatives of Mrs. Gowdy survive.

Funeral services will be held from the Nagley funeral home, on East Market Street, Tuesday afternoon at 2:30 o'clock. Interment will be made at Woodland Cemetery. Friends may call at the funeral home at any time, Monday evening, after six o'clock.

## MRS. JANE HIBBERT DIES ON SUNDAY

Mrs. Jane Hibbert, 70, widow of William M. Hibbert, and mother of James T. Hibbert of South Detroit street, this city, died Sunday morning at 4:45 o'clock at the home of her daughter, Mrs. F. M. Krebs, 28 Filmore street, Dayton.

Mrs. Hibbert leaves two sons, James T. of this city and Louis of Indiana, and three daughters, Miss Caroline Hibbert, Mrs. M. DeFon, rector, of Cincinnati and Mrs. Krebs, of Dayton.

Funeral services will be held at the home of Mrs. Krebs Wednesday morning at 7:30 o'clock and at eight o'clock at St. Joseph's Church. Burial will be made in Calvary Cemetery.

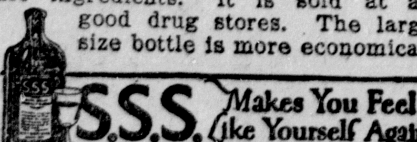

Physical Health means Beauty!

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

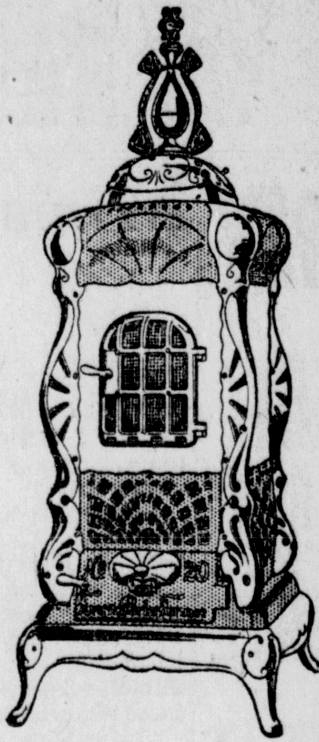

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand.

S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

### XENIA ORCHESTRA POPULAR AT DANCE.

The Harmony Kings, a Xenia orchestra, was popularly received when it furnished the music for the Elks' Charity Ball given at Washington C. H. last Wednesday for the benefit of the local Red Cross raised for Japanese relief.

The Washington C. H. Herald says: "The music was furnished by the Harmony Kings from Xenia. Practically unknown among local dance circles in making its initial appearance, the orchestra scored a decided success and was roundly applauded and praised. The time was splendid and inviting to the dancers. The numbers were up to date and the orchestra played with an enthusiasm and spirit entertaining to dancers and onlookers."

### LUNCHEON-BRIDGE AT OLD BARN CLUB

Mrs. E. S. Myers and Mrs. Ward M. Huston entertained at an attractive luncheon-bridge, at the Old Barn Club, Dayton, Saturday afternoon.

The guests were received at one o'clock for luncheon in the club rooms, which were effectively decorated with garden flowers. Bridge was enjoyed during the afternoon. Miss Margaret Felch of Columbus, and Mrs. Wright of California, mother of Mrs. E. R. Bryant, were the only out-of-town guests.

### TO GIVE WEINER ROAST

The Christian Endeavor Society of the Friends Church, will have a weiner roast, Tuesday evening. Members will meet at the church at six o'clock. For further information, call 494R or 773W.

### SOCIETY TO MEET

The Sunshine Society will meet with Mrs. J. A. Baldwin, Tuesday afternoon at 2:30 o'clock. All members are urged to be present.

Mr. and Mrs. M. L. Wolf, of North King Street, have returned from a motor trip, which they enjoyed through Indiana, and other points, during the past week.

Mrs. J. W. Benbow, of North Galloway Street, returned Friday from Springfield, where she spent a few days with friends.

Mr. and Mrs. J. W. Stevens, of East Second Street, have returned from Anderson, Indiana, where they attended the funeral of Mrs. Steven aunt, Mrs. J. S. Miller. They remained a few days with relatives.

Miss Florence Engelman, daughter of Mr. and Mrs. S. Engelman, left Friday for Pittsburgh, Pennsylvania, to enter the University of Pittsburgh.

Robert North, of South Detroit Street, will go to Richmond Wednesday where he will make his future home. He is a member of the F. Canby's Sunday School class in the First M. E. Church and Sunday he was presented with an unbreakable fountain pen as a farewell gift from the class. His brother, Howard North, will go to Richmond Saturday to make his home with his mother.

Mr. and Mrs. J. F. Harshman of North King Street, had as their guests Sunday, Mr. and Mrs. John Swinley and daughter, Miss Bessie, of Urbana, and Mr. and Mrs. George Roup, of Springfield.

Mr. and Mrs. Otis Hiles, of near Cedarville, spent Sunday as the guests of Mr. and Mrs. A. J. Taylor, of West Third Street.

Members of the Order of Eastern Star, who are planning to attend the weiner roast, given by Mr. and Mrs. D. E. Crow, at the County Infirmary, Tuesday, will be forced to go by motor out Fairground Avenue, to the Hawkins road, to the Dayton pike, to the Infirmary.

A son was born to Mr. and Mrs. Earl McGrew, of 805 West Second Street, Friday morning. The baby has been named John William.

Mr. and Mrs. George Fulton, of Yellow Springs, visited Mr. and Mrs. Thomas McClelland, of this city, Sunday.

Mr. and Mrs. John DeWine, of North Galloway Street, are the parents of a daughter, born Monday morning.

Mrs. Jonas Bailey, of East Third Street, is improving from an attack of summer grip.

Mrs. Ovid Lowe, of South King Street, has been confined to her home for several days, suffering from summer grip.

A daughter, Eleanor Maxine, was born to Mr. and Mrs. Arthur Copey, of the Springfield pike, Sunday morning.

Members of the Glad Community Club, and their friends are invited to Glad Church, Thursday night, September 27, for a short program, and a social time. Each family is asked to bring sandwiches, pickles and pie.

Lucy Swindler, who was operated on at the McClelland Hospital three weeks ago, brought to the home of her parents, Sunday.

Mr. Dwight Balantine of Springfield spent the week end with Mrs. Balantine, who is visiting her mother, Mrs. John A. Cooper of West Church Street.

Mr. and Mrs. Frank Mendenhall, and son, Ward, of Springfield, spent Sunday with Mrs. Lena Chambliss of Cincinnati avenue.

Mrs. Addison Ledbetter, of North Galloway Street, is improving from a recent attack of illness.

Miss Esther Orr, of Kansas City, Missouri, arrived Sunday and is visiting Louise B. Shaffer, on West Third Street and other relatives. She will remain here until Wednesday.

Miss Orr has been visiting relatives in the East for eight months and will leave here for Cleveland, after a visit there, she will return to her work as dietician at a Kansas City Hospital.

Mr. and Mrs. Kenyon Riddle of Midlandtown, spent Sunday with friends in this city.

Mr. and Mrs. J. W. Gibney and Mr. and Mrs. Ralph Hall are spending several days in Detroit, Michigan.

## TELLS OF WORK TO PRESERVE FORESTS

L. J. Taber, former state director of agriculture in Ohio, and also former state game master, told of the work the Ohio Forestry Association is doing to preserve forests from destruction in Ohio at the state meeting of the organization at the John Bryan farm, near Yellow Springs, Saturday. Taber declared that Bryan Park and its surrounding cliffs and forests compose one of the most beautiful natural spots in the state, in the course of his address. Congressman Charles L. Brand, of Urbana, also addressed the meeting Saturday.

Members of the Association went to the Bryan farm, while to the state as a forestry and game preserve and recently accepted, Friday and spent the night in the open. Several people from the surrounding territory supplemented the Association members present Saturday.

A tour through the park and surrounding cliffs and forests was a feature of the final meeting of the association.

## CAMPING SITE TAKEN BY Y. W. C. A.

One of the most advantageous camping spots in Greene County has been acquired by the Springfield Y. W. C. A. to be used as an outing place for Springfield business girls and others who want outdoor recreation.

The site is a 25 acre tract which was formerly part of the Frank M. Corry farm, near Yellow Springs. The grounds included an area suitable for tennis courts, and high wooded land, well drained, admirably adapted for the location of a central building to house a kitchen, dining hall and lounging rooms.

The Little Miami river runs through

the tract and may be dammed at small cost to provide a swimming and diving pool. Scenery nearby is said to be inviting for hikes. Various organizations of girls in the Y. W. C. A., will endeavor to equip the grounds for outing purposes. Among the first requisites will be a well, a main shelter building, dining and cooking hall and cottages. Later it is hoped to provide an electric lighting system, power pumping for the water and other facilities. Improvement will be begun in the spring.

### ONE HUNDRED INJURED

London, Sept. 24.—One hundred and twenty-three persons were reported killed and 100 injured in an earthquake in Khorashan province, Persia, said a dispatch from Teheran this afternoon. The quake was felt over a wide area.

## ESCAPE SERIOUS INJURY IN CRASH

No one was seriously hurt when the automobile driven by P. C. Bankerd, 570 North Detroit Street, and occupied by members of his family was struck broadside by a machine driven by a Dayton man at the intersection of Second and West Streets and Cincinnati avenue at 9:30 Sunday morning.

The Xenia people were turning into Cincinnati avenue when the Dayton machine traveling east on Second Street, crashed into the side of their car. The Dayton man, whose name was not learned, said he was confused by watching people coming from St.

Brigids Church and did not see the Bankerd machine.

Mr. and Mrs. Bankerd, Miss Nellie Bankerd and Billy Bankerd were shaken up and bruised. Both fenders and the running board on the right side of the Bankerd machine were smashed and a new tire torn off. The other car was only slightly damaged.

### PAPYRUS SEA SICK.

New York, Sept. 24.—A direless dispatch from the Aquitania says the Aquitania is encountering bad weather, resulting in much motion, which has had a depressing effect on Papyrus, the British champion, on his way to America to race the best American 3-year-old on Oct. 20. The great horse seems listless and is without any appetite. His mouth is dry and he refused to lie down during the night.

### ALL ODD FELLOWS

## RE-APPOINTMENT OF TEACHERS IS MADE AT WILBERFORCE

Difficulties, which it is said have resulted in tying up finances of the Combined Normal and Industrial Department, the state supported department, at Wilberforce University, so that teachers and other employees have not received their salaries since June, were ironed out at a joint meeting of the C. N. and I. Board with the State Board of Control held at the institution Saturday.

Action of the joint board included re-appointment of teachers said to have been displaced by a minority faction of the C. N. and I. Board and the re-instatement to official position of William Berry deposed superintendent of the department. It is understood that the appointment of Richard C. Bundy as finance officer to succeed Berry had never been approved by the State Board of Control and resulted in salaries being tied up.

Reinstated teachers are Miss Lucinda Cook, director of the normal department, who, according to reports from Wilberforce was demoted and her salary reduced when May Dorsey was appointed to that position and the re-appointment of Miss Anna A. O'H. Williamson, Miss Cook's assistant, Dorsey, briefly at the head of the normal department, was made a teacher in the normal department. Mrs. Josephine T. Washington, deposed preceptress of women, was replaced in that position and Berry was made professor of agriculture and director of extension work it was learned Monday.

The alleged difficulties are said to have begun with the election of Richard C. Bundy to the superintendency of the state department and finance officer in place of William Berry, at a meeting of a minority faction of the C. N. and I. Board last July.

The State Board of Control refused to approve Berry's removal it is said, and the position of finance officer, then became an empty title to Superintendent Bundy who has since been unable to administer state funds for the operation of the department resulting in employees salaries going unpaid.

At the meeting of the Board in July it is alleged, the minority faction obtained control and removed Mrs. Washington as preceptress of women. The faction is also said to have displaced Miss Lucinda Cook, director of the normal department, demoting her with a lesser salary and making Ray Dorsey head of that department. The demotion is also said to have affected Miss Williamson, assistant to Miss Cook, who was also given a reduced salary.

Contention arose on the ground that the faction that obtained control of the meeting, said to have been led by Norman Fort of Cleveland, Sully Jaymes, Springfield attorney and Dr. Frank Johnson of Cincinnati, had no authority to put these removals in effect because it was alleged there was not a quorum of board members present. Berry contended his removal was illegal in the face of the new law passed by the last legislature which gave the controlling board the authority to sanction the election of a superintendent and financial officer.

The report of state examiners who recently completed an examination at the institution led to the arrangements for the joint meeting held Saturday. The joint meeting re-appointed Miss Cook as director of the normal department at a salary of \$2,000 and also Miss Williamson as her assistant at a salary increase. The joint meeting also appointed Berry professor of agriculture and director of extension work at a salary of \$3,000 a year re-elected Mrs. Washington as preceptress of women and made Dorsey a teacher in the normal department. The combined meeting also appointed Alonzo DeLeon of Springfield, as head of the normal training department in which a vacancy has existed for some time.

The old list of teachers originally passed by the full board was approved by the joint board and Superintendent Bundy was given assurance by the controlling board that he will be officially recognized by the board as finance officer of the C. N. and I. Department, which assures employees they will be paid their salaries at once.

## C. R. YEAKLEY DIES SUNDAY AT NOON

Charles R. Yeakley, 59, bridge foreman of the Pennsylvania railroad, died at his home, 236 Chestnut Street, Sunday at noon, after a lingering illness. Mr. Yeakley had been ailing for the past two years, his condition becoming serious within the last few weeks.

He was born in Virginia, February 20, 1864. He had resided in Xenia a number of years, and was employed on the Pennsylvania railroad for 27 years.

Mr. Yeakley's marriage of Miss Anna Harshman, took place April 26, 1891. His wife survived him with the following children, W. E. Yeakley, Clarence V. Yeakley, Mrs. Florence V. Jay, all of Xenia; Mrs. Marie L. Deems, Columbus; Robert, and James Ralph, at home.

Four brothers, Carson Yeakley, and Dorsey Yeakley, of Winchester, Virginia; Martin Yeakley, Troy; and Edward Yeakley, of Dayton; with one sister, Mrs. Carrie Cole, Dayton, also survive.

Mr. Yeakley was a member of the First M. E. Church and of the Odd Fellows Lodge, No. 59. Funeral services will be held Wednesday afternoon at two o'clock at the late home with interment at Woodland Cemetery.

## DIES SATURDAY

Mrs. Jennie Cooper, 71, died at her home on the Reel Road, near Dayton, Saturday evening at 9:45 o'clock.

She leaves four sons, one daughter, one sister, and one brother, all of whom live in or near Dayton. Funeral services will be held Tuesday afternoon at 1:30 o'clock at Mt. Zion Church and burial will be made in Mt. Zion Cemetery.

He Furnishes Sunshine In  
the Winter

W. G. Moore, inventor.

By the remarkable invention of W. G. Moore, of London, of a specially concentrated arc evolved from electrodes made from a special alloy of rare metals, Wolfann Rays are made. When concentrated upon any spot in the human body these extreme ultra-violet rays increase the red blood cells and haemoglobin.

## MRS. E. A. GOWDY CALLED BY DEATH

Mrs. Elma A. Gowdy, 91, widow of George Gowdy, and pioneer Xenia resident, died at the Odd Fellows Home, Springfield, Sunday morning at seven o'clock. Mrs. Gowdy had suffered an attack of grip, recently, from which she had not fully recovered, and combined with the infirmities of age, caused her death.

Mrs. Gowdy was born in Xenia, November 10, 1832, and had lived all of her life in this city, until about a year and a half ago, when she went to the Springfield home to reside. Besides a number of nephews and nieces, no near relatives of Mrs. Gowdy survive.

Funeral services will be held from the Nagley funeral home, on East Market Street, Tuesday afternoon at 2:30 o'clock. Interment will be made at Woodland Cemetery. Friends may call at the funeral home at any time. Monday evening, after six o'clock.

## MRS. JANE HIBBERT DIES ON SUNDAY

Mrs. Jane Hibbert, 70, widow of William M. Hibbert, and mother of James T. Hibbert of South Detroit street, this city, died Sunday morning at 4:45 o'clock at the home of her daughter, Mrs. F. M. Krebs, 28 Filmore street, Dayton.

Mrs. Hibbert leaves two sons, James T. of this city and Louis of Indiana, and three daughters, Miss Caroline Hibbert, Mrs. M. DeFon, rector, of Cincinnati and Mrs. Krebs, of Dayton.

Funeral services will be held at the home of Mrs. Krebs Wednesday morning at 7:30 o'clock and at eight o'clock at St. Joseph's Church. Burial will be made in Calvary Cemetery.

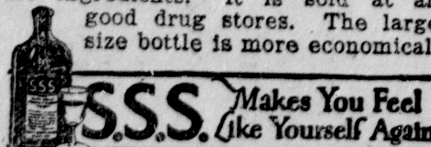

Physical Health means Beauty!

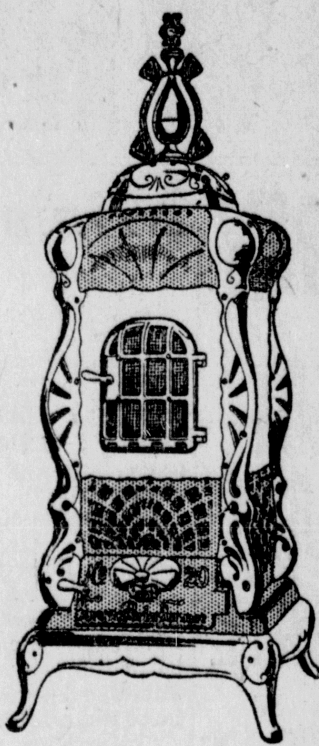

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand. S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

### XENIA ORCHESTRA

#### POPULAR AT DANCE.

The Harmony Kings, a Xenia orchestra, was popularly received when it furnished the music for the Elks' Charity Ball given at Washington C. H. last Wednesday for the benefit of the local Red Cross raised for Japanese relief.

The Washington C. H. Herald says: "The music was furnished by the Harmony Kings from Xenia. Practically unknown among local dance circles in making its initial appearance, the orchestra scored a decided success and was roundly applauded and praised. The time was splendid and inviting to the dancers. The numbers were up to date and the orchestra played with an enthusiasm and spirit entertaining to dancers and onlookers."

### LUNCHEON-BRIDGE

#### AT OLD BARN CLUB

Mrs. E. S. Myers and Mrs. Ward M. Huston entertained at an attractive luncheon-bridge, at the Old Barn Club, Dayton, Saturday afternoon.

The guests were received at one o'clock for luncheon, in the club rooms, which were effectively decorated with garden flowers. Bridge was enjoyed during the afternoon. Miss Margaret Felch, of Columbus, and Mrs. Wright, of California, mother of Mrs. E. R. Bryant, were the only out-of-town guests.

### TO GIVE WEINER ROAST

The Christian Endeavor Society of the Friends Church, will have a weiner roast, Tuesday evening. Members will meet at the church at six o'clock. For further information, call 494R or 773W.

### SOCIETY TO MEET

The Sunshine Society will meet with Mrs. J. A. Baldwin, Tuesday afternoon at 2:30 o'clock. All members are urged to be present.

Mr. and Mrs. M. L. Wolf, of North King Street, have returned from a motor trip, which they enjoyed through Indiana, and other points, during the past week.

The meeting of the Central Parent-Teacher Association, which was to have been held Monday afternoon, has been postponed until Tuesday afternoon at 2:30 o'clock.

Mr. Frank Kelly of Jamestown who was injured in an automobile accident near Jamestown about two weeks ago, was removed to the McClelland Hospital, this city in the Nagley ambulance, for treatment.

Miss Ruth DeWitt, of Cedarville, spent the week-end in Urbana, with her parents. She was joined in Springfield, by Miss Frances Mitchell, of Hart, Michigan, who visited at her home in Urbana.

Mr. and Mrs. John Lemmon, of the Cincinnati pike, had as their dinner guests, Sunday, Mr. and Mrs. Charles Abraham, and son, William, and Lester Borden, of Springfield; Mrs. William Heffner, and two sons, Mr. Orry, Miss Bessie Finley, and Miss Maud Sheridan, all of West Milton.

Mrs. Emma Simons, is spending a few days with her niece Mrs. Nora Shirk, of near Jamestown.

Mr. and Mrs. Elton Tindal, of Selma, visited friends in Xenia, Sunday.

Mr. and Mrs. W. G. Johnson, of Dayton, visited friends in this city Sunday.

Mrs. Addison Ledbetter, of North Galloway Street, is improving from a recent attack of illness.

Miss Esther Orr, of Kansas City, Missouri, arrived Sunday and is visiting Louise B. Shaffer, on West Tird Street and other relatives. She will remain here until Wednesday. Miss Orr has been visiting relatives in the East for eight months and will leave here for Cleveland. After a visit there, she will return to her work as dietician at a Kansas City Hospital.

Mr. and Mrs. Kenyon Riddle of Middletown, spent Sunday with friends in this city.

Mr. and Mrs. J. W. Gibney and Mr. and Mrs. Ralph Hall are spending several days in Detroit, Michigan.

## TELLS OF WORK TO PRESERVE FORESTS

L. J. Faber, former state director of agriculture in Ohio, and also former state game master, told of the work the Ohio Forestry Association is doing to preserve forests from destruction in Ohio at the state meeting of the organization at the John Bryan farm, near Yellow Springs, Saturday. Faber declared that Bryan Park and its surrounding cliffs and forests compose one of the most beautiful natural spots in the state, in the course of his address. Congressman Charles L. Brand, of Urbana, also addressed the meeting Saturday.

Members of the Association went to the Bryan farm, willing to the state as a forestry and game preserve and recently accepted. Friday and spent the night in the open. Several people from the surrounding territory supplemented the Association members present Saturday.

A tour through the park and surrounding cliffs and forests was a feature of the final meeting of the association.

## CAMPING SITE TAKEN BY Y. W. C. A.

One of the most advantageous camping spots in Greene County has been acquired by the Springfield Y. W. C. A. to be used as an outing place for Springfield business girls and others who want outdoor recreation.

The site is a 25 acre tract which was formerly part of the Frank M. Corry farm, near Yellow Springs. The grounds included an area suitable for tennis courts, and high wooded land, well drained, admirably adapted for the location of a central building to house a kitchen, dining hall and lounge rooms. The Little Miami river runs through

the tract and may be dammed at small cost to provide a swimming and diving pool. Scenery nearby is said to be inviting for hikes. Various organizations of girls in the Y. W. C. A., will endeavor to equip the grounds for outing purposes. Among the first requisites will be a well, a main shelter building, dining and cooking hall and cottages. Later it is hoped to provide an electric lighting system, power pumping for the water and other facilities. Improvement will be begun in the spring.

### ONE HUNDRED INJURED

London, Sept. 24.—One hundred and twenty-three persons were reported killed and 100 injured in an earthquake in Khorashan province, Persia, said a dispatch from Teheran this afternoon. The quake was felt over a wide area.

## ESCAPE SERIOUS INJURY IN CRASH

No one was seriously hurt when the automobile driven by P. C. Bankerd, 570 North Detroit Street, and occupied by members of his family was struck broadside by a machine driven by a Dayton man at the intersection of second and West Streets and Cincinnati avenue at 9:30 Sunday morning.

The Xenia people were turning into Cincinnati avenue when the Dayton machine traveling east on Second Street, crashed into the side of their car. The Dayton man, whose name was not learned, said he was confused by watching people coming from St.

Brigids Church and did not see the Bankerd machine.

Mr. and Mrs. Bankerd, Miss Nellie Bankerd and Billy Bankerd were shaken up and bruised. Both fenders and the running board on the right side of the Bankerd machine were smashed and a new tire torn off. The other car was only slightly damaged.

### PAPYRUS SEA SICK.

New York, Sept. 24.—A direless dispatch from the Aquitania says the Aquitania is encountering bad weather, resulting in much motion, which has had a depressing effect on Papyrus, the British champion, on his way to America to race the best American 3-year-old on Oct. 20. The great horse seems listless and is without any appetite. His mouth is dry and he refused to lie down during the night.

### ALL ODD FELLOWS

please meet at hall, Tuesday evening, at 7 o'clock, for Brother Chas. Yeakley's funeral services.

# Becoming and Slendering Styles In Garments For Stout Women

\$10.00 to \$135.00

Never have we been so abundantly equipped to fill all the ready-to-wear needs of the larger woman as we are this season. You will be surprised to find outside of the larger cities, so smart and complete a stock of garments designed for the woman of stout figure. Every garment has been skillfully fashioned to give the becoming, long, flowing lines while at the same time embracing all of the charming new style features. Refreshing fashion fancies may be adopted by the woman of full figure if the garment designing is done by an artist.

### High Grade Dressy Coats

\$37.75 to \$135.00

Real genius inspired these handsome coats that produce the effect of height and stately poise and at the same time boast clever new style touches. The soft, high lustre materials include Ormondale, Luxonia, Bolivia and Fashona. They have smart self collars or collars of Beaver, Viatka Squirrel or Wolf. The colors are black, brown, navy or kit fox. Side tie, single button or belted models are here for the choosing.

\$39.75 to \$135.00

### General Purpose Coats

Smart models in all wool velour, or polos in plain or overplaid effects. Sizes 42½ to 52½. Coats that happily fill all general purpose needs.

\$19.75 to \$29.75

### AFTERNOON AND STREET DRESSES

## THANK GOD, 90 PER CENT DRUNKENNESS OBITERATED.

One wise man of old termed whiskey "liquid fire and distilled damnation" and another one said: "Strong drink is not only the devil's way into a man but man's way to the devil."

Last week was "Constitution Week" in the United States—a period during which we were all urged to study the constitution of our great nation. We hope many who paid heed to this, found the Wisdom of the 18th Amendment, the wisdom of wiping out our country's worst enemy.

At Covington, Ky., last Friday, Wm. McFerrin, a liquor crazed father shot to death his fourteen year old daughter. The newspaper account of it says that while she was on her knees pleading for her life, her father paced the revolver at her forehead and fired it.

Had she done any wrong? Indeed no. She was faithfully assisting a kind woman who had for five years given her and her younger sister motherly care. The girls' mother, five years ago, had left McFerrin because of his abuse, and he and the daughters had been boarding with Mr. and Mrs. John Patton, the latter acting as foster mother to the girls. But later he had been drinking heavily and last Friday's tragedy is the result.

It makes one heart-sick in sympathy for the victims from drink—and out of all patience with those fighting the enforcement of the 18th Constitutional Amendment.

## SHARP EYED N. W. CANADIANS.

The wheat growers of the Northwest have another complaint. Bootlegging in wheat has become a flourishing industry since the enactment of the Republican tariff law with a duty of 30 cents a bushel on wheat. Dollar wheat may not be a paying crop in Minnesota and the Dakotas, but it appears to be attractive to the great growers and buyers in Manitoba, where the price is from 20 to 25 per cent lower, and in Canadian money, which is not as valuable as Uncle Sam's dollar. Smuggling wheat across the international border has therefore become a business and the government may be called upon to establish a wheat patrol to break up bootlegging. It is the old story of the American market rather than the world market which the people of the world seek. This is the best market in the world, and all producers everywhere want to get into the United States, where prices are better than anywhere else. The Democratic tariff law did not have a duty on wheat and the Canadian could bring his wheat into the United States free of tax and compete with the American farmer. Now that the Canadian can no longer come in free, he bootlegs his wheat across the border to get the increased price.

## OUR PRESIDENT A NEIGHBORLY MAN.

President Coolidge, with typical New England common sense, suggests that if the American people make up their minds to seek to stabilize conditions by moving slowly and to develop confidence by being worthy of it and trusting each other, the country will make advance. This home spun philosophy is as practical as it is sensible. There is no doubt conditions would be more stable if there had been fewer headlong attempts to normalize business and industrial conditions without regard for traditional cautiousness. Much of the reaction that set in after the "good times" that followed the World War was caused by the lack of conservative foresight. The President's plea for confidence as a fundamental of prosperity is the kind of plea we would expect from Calvin Coolidge. He is a neighborly man who recognizes the human elements on which business and industry rest.

## JUST WHAT IS OUR OBLIGATION?

Our internationalist editors, story writers, and lecturers are very flippant in their use of terms. Such words as "isolation," "aloofness," and "desertion" are applied to the attitude of the United States towards Europe with the utmost nonchalance. With reckless abandon we are told that we should rush to the aid of Europe and rescue those countries from the chaos that impends. Probably not one of those writers and talkers has a single specific suggestion as to the form such aid and rescue should take which he would dare advocate before a typical American audience. The loose generalities in which they indulge have a sort of detached relation to the government at Washington. Probably not one person in a thousand stops to consider what the United States would have to do to clear up the European situation, or what sacrifice it would bring to him personally.

"HIMMEL! VERE DO VE GO FROM HERE?"

## 1903--Twenty Years Ago--1923

The stakes have been set and the ground is being broken for the new Carnegie Library, which will soon be one of the buildings in which Xenia can take pride and which will occupy a lot which has been generously donated by the Roberts heirs, on East Church Street.

The lake at the O. S. and S. O. Home was yesterday stocked with a thousand fish which were furnished by the State. The fish

consisted of six hundred black bass and four hundred cat fish. The little friends of D. K. Wolf, the third, were afforded a royal time yesterday, on the occasion of the sixth birthday of their host, at the home of Dr. and Mrs. Reed Madden.

The Ohio A. M. E. Conference will convene in annual session at St. John's chapel, next Tuesday, and the week will be a busy one for the Methodist folks of Xenia and vicinity.

onion finely chopped. Then arrange around the chicken four or five small, skinned tomatoes and four stalks of celery cut small. Add one pint of either rich soup-stock or canned clear soup (chicken soup or consommé). Cover the casserole and place it in a moderate oven for two hours, basting the chicken about every 20 minutes. Before serving, thicken the gravy with a little flour (leaving the vegetables in it) and serve hot.

**CRISIS**  
There are moments of terror and dread  
Which rob us of reason and sense;  
Into every man's scheme, into every man's dream,  
Comes the time when the struggle grows tense,  
And the thing you would do with a grin,  
With nothing at stake on the shot,  
Is not easy to do when the prize that's in view  
Hangs on whether you make it or not.

The test of the game isn't skill,  
But how do you stand to the strain?  
When your skies are all fair you have courage to spare,

But how do you battle the rain?  
And what of that moment of doubt,  
When to falter means failure for you?  
With your nerves in control, can you go for your goal  
And prove what you're able to do?  
It's the crisis which makes you or breaks,  
It's that difficult time of suspense  
When the end is in doubt and you're fighting it out  
With nerves that are tingling and tense;  
Then if your hand trembles you lose,  
And you fall if your eye be not true  
For all cunning is vain, when you come to the strain,  
If you're not the master of you.

## Today's Talk

### LIGHTS

In the light we hope—in the darkness we grope.

But if in that darkness we see lights, we know that God hasn't gone to sleep. We know that, though the light be ever so faint, we can pick ourselves up from many stumblings, freshened in courage, and find our way.

What an inspiring spectacle are the lights in a great city, viewed from some high ground! How thrilling to stand and speculate upon all that those lights mean—guiding footsteps safely, pointing out paths for streams of traffic, and making laughter and joy and growth possible in thousands of homes.

The lights that fringe a great suspension bridge, how beautiful! The red and green lights that warn—

The sky with its lights, the stars—  
The lights that warm and melt in a Mother's eyes, the greatest lights of all—

The lights that leap and understand in the soul of the one you love—

How incentive is rebuilt just the

moment some distant, leading light appears!

No human being lost so long as one light remains to guide his life aright—

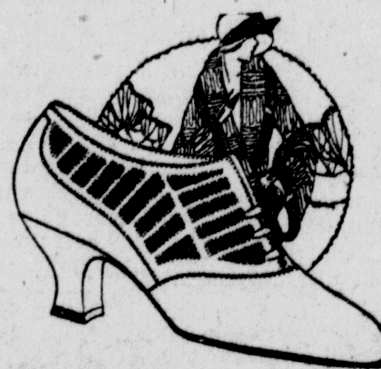

Soft lights at dusk, when the world slows down to walk to its bed for the night. Subdued, shimmering lights with the notes of music playing through them. Distant cabin lights, hidden like a nest among the mountains.

Your smile is a light. And the gifts of beauty and understanding that stream from your heart through your eyes are greater lights to the world than the sun and moon and stars.

So be a light.

## CONVICT RELEASED FROM PENITENTIARY

Harvey Ward, 30, colored, sentenced to the penitentiary in November, 1917, from this county to serve ten years for second degree murder, has been granted his immediate release by Governor A. V. Donahy.

Ward was convicted of killing Seth Hardin, fellow workman, with a rock during a quarrel while the two were working on conservancy work at Osborn. Hardin is alleged to have stabbed Ward first and Ward threw the rock at Hardin hitting him on the head and causing his death.

The commutation of sentence was recommended by the State Clemency Board and was not opposed by former Judge C. H. Kyle, who sentenced Ward or by Attorney Harry D. Smith, who was prosecuting attorney then.

## NEW PASTORATES ARE ANNOUNCED

Columbus, Sept. 24.—Announcement of appointments for new pastorates and the selection of the city where the next meeting will be held to close the annual Ohio Conference of the M. E. Church here today.

American participation in world affairs, enlarged evangelistic program, and the uplift of mankind through those gifts of God, material wealth and intellect, were urged by Bishop William F. Oldham, in delivering the annual sermon Sunday. Four ministers were ordained as elders, at the afternoon meeting Sunday.

### Andrew J. Hale

Andrew J. Hale, Civil War Veteran and aged railroad dies at West Jefferson.

### OBITUARY.

So we have come today to the final farewell of a veteran of the Civil War.

After almost a century the last chapter of his life having been finished on Friday evening at 9:30 o'clock, September 14, 1923, he closed the book, having lived 93 years, 8 months and 3 days.

Andrew J. Hale was borne January 11, 1830, in Muskingum County, Ohio. He has spent most of his life in and around West Jefferson. He was united in marriage to Miss Nancy Sly, July 7, 1859, and to this union were born 9 children, 4 boys and 5 girls, Emma, Frank, Ora, Harry, Blanche, Lizzie, Charles, Goldie and Frank B., all together with the mother, have preceded him, except Charles at home, Goldie now Mrs. Clinton Monigold, and Frank B. of Sequim, Washington.

Eight years ago the wife whom he had walked with more than 57 years, was called home and since then he has been tenderly cared for by his son, Charles and wife, who gave to father love and devotion, making his last years pleasant. He had been in failing health for several years and confined to his bed for more than 8 months. But all this time he was patient and grateful for the many acts of kindness shown him by his family, neighbors and friends.

He began to work for the Pennsylvania Railroad Co. in the year 1863, and continued in service on the railroad until 70 years old, when he was placed on the pension list and has enjoyed the rest that comes to those who are faithful.

On the out break of the Civil War Comrade Hale enlisted in Co. K, 95 O. V. I. on August 7, 1862, and was honorably discharged January 24, 1863. He always enjoyed the Camp Fires held in the old G. A. R. Hall, and never seemed happier than at these meetings.

The taps have sounded, the light has gone out. He has taken his last march; he has helped to decorate his fallen comrades graves for the last time, and now he has lain down to rest and has joined another army where there will be no discharge, for the Great Commander of us all will care for us all through eternity.

To end the last it seemed as if death had no sting; the grave no victory, unseen hands were beckoning him across and he joyfully answered the call.

He has gone, to come back no more; but God's word gives us the glorious hope of meeting him again in that "Beautiful City," not made with hands, but eternal in the heavens. In our sorrow and grief, we are apt to forget that what is our loss is his gain, that he has gone to a sunnier clime there to await the dawning of another world where tears and sorrow are unknown, and where the new life will be ushered in bringing all the joys of an eternal existence. It is this hope that enables us to say with the psalmist of old, "Yea though I walk through the valley of the shadow of death I will fear no evil; thy rod and they staff they comfort me."

When asked by the daughter-in-law about the future he looked up into her face and smiled and said there was no fear he was ready and only waiting.

He leaves to mourn their loss two sons, Charles and Frank B., and one daughter, Mrs. Goldie Monigold, three grandchildren, Frederick, Clyde and Robert Candell, besides other relatives and friends.

His funeral was held at his late home on Monday afternoon, Sept. 17, 1923, at 2 o'clock, conducted by Rev. E. E. Moon, and burial in Pleasant Hill Cemetery in charge of J. A. Bear.

A Friend,  
Anna J. Lambert.

### CARD OF THANKS.

We wish to thank our neighbors and friends for their many acts of kindness to our father, Andrew J. Hale during sickness and death.  
Charles Hale and Wife.

## POLICE COURT

### MACHINE IS RECOVERED

A Ford coupe belonging to Dr. R. R. McClellan, and stolen from where it was parked near his office on East Second street, Saturday night, was recovered Sunday afternoon, near Jeffersonville, where it had been abandoned.

The machine was taken sometime between eight and 9:30 o'clock and was reported to Police shortly afterward. Police advanced the theory that narcotics in the medicine case may have resulted in the theft. However, the case contained only about three grains of morphine. The medicine case was found unharmed when the machine was recovered.

### SENT TO JAIL

James "Biddy" Seldombridge, 52, arrested for possessing liquor Saturday afternoon was fined \$100 and costs by Police Judge E. D. Smith and sent to the County Jail.

Seldombridge was arrested by Patrolmen Sowards, Simms and Spencer. Police say a half-pint of corn whiskey was found in his possession. It was confiscated.

### FINED ON CHARGE

Lindsay Vance, 45, was fined \$5 and costs by Judge E. D. Smith in Police Court Monday morning when arraigned on a charge of plain drunk. Vance has 12 children.

Police say Vance walked into Police Headquarters Saturday afternoon intoxicated and was immediately locked up by Chief of Police M. E. Graham. He had come to Police Headquarters to report "Jug" Little had beaten up on him, and he bore marks of the conflict in a cut lip and cuts on his head. It is said he had been drinking "rubbing alcohol."

### HALED INTO COURT

Tom Stewart, colored, was fined \$200 and costs and sent to the County Jail by Judge E. D. Smith in Police Court Monday morning on a charge of possessing liquor.

Stacker Lee, 48, colored, of East Main street and the Jasper pike, entered a not guilty plea to a similar charge and his hearing was set for Tuesday afternoon. Both were arrested by Patrolmen Spencer, Thompson and Simms Sunday morning about 1:30 o'clock. Lee was said to have had a half-pint of corn whiskey and Stewart, Sol Ewing and H. R. Roots, all colored, were arrested for loitering. At the hearing Monday morning Stewart claimed ownership of the liquor and was fined.

### FINES ARE ASSESSED

Fines ranging from \$10 and costs to \$25 and costs were meted out by Judge E. D. Smith in Police Court Monday morning to five men arrested by Patrolmen Simms, Thompson and Spencer about 3:30 o'clock Sunday morning.

Patsy McNellis, 45, was fined \$25 and costs for drunkenness and resisting an officer. Michael Leahy, 29, was fined \$25 and costs for

plain drunk. Dan Rowan, 32, was fined \$10 and costs for drunk and disorderly conduct and Charles Sherry, 38, was fined \$10 and costs on a similar charge. James Comfort, 38, entered a not guilty plea and his hearing was set for Tuesday afternoon.

### LEADS RAIDS SATURDAY

Chief of Police M. E. Graham led a number of raids on alleged liquor vending places in the East End Saturday night, that resulted in a basket full of half-pint bottles of corn liquor being confiscated but no arrests being made.

The raiding party included Patrolmen Thompson, Simms and Spencer armed with warrants issued in Police Court for a number of places. The officers used the new police car. The basket full of liquor is believed to be the property of a colored resident.

No liquor was found on the premises, but the basket was found on adjoining property and within easy reach through the fence. Police say the man reached through the fence for a bottle every time a customer appeared, but as the liquor was not found on his property he could not be arrested.

## BREEZE BETRAYS BIG DISTILLERY

Cincinnati, Sept. 24.—Guided solely by the breezes, which carried the odor of moonshine to their nostrils, police last night uncovered one of the largest and most complete distilleries ever detected in this city. In addition to two stills, the officers confiscated a large quantity of moonshine materials. They arrested a 61 year old negro who told them he was employed by another man to operate the stills and that he received \$70 a week, and was to get a commission on all sales. Police estimated that the stills cost \$5,000 and that they could turn out more than 2,000 gallons of liquor a week.

### EAST END NEWS

Mrs. Minnie B. Hough, of the O. S. and S. O. Home, was the Sunday guest of the Rev. and Mrs. Farrell, of Piqua, Ohio.

## Moser's 15th ANNIVERSARY SALE

"I certainly am pleased," the expression made by 10 of our customers upon having their purchase price refunded them on the 15th sale last Saturday.

Two men getting a \$4.00 and a \$5.00 pair of work shoes.

One man a \$4.00 pair dress shoes.

## The New Jewett Six Brougham, \$1325

Lasting Lustre, Baked Enamel Finish by New Process

QUITE the smartest car the season has produced—just the achievement you'd expect from Paige engineers. Jewett Six Brougham at but \$1325 gives peak quality—the best value the Paige organization ever produced for the money.

How Jewett Brougham steel body panels are enamel dipped for separate baking

The lasting lustre finish is the result of a new process. Each steel body panel is separately dipped three times in finest black enamel, then baked—then separately fastened to the extra-large, extra-strong wood body frames. Wood frames—not steel—because wood reduces noise, absorbs vibration. Lift the rear seat cushions. See the steel body

panels enameled on the inside, too—no rusting possible.

Never before could this finish be placed on a wood frame body. The intense baking heat would burn the frames. But separate pre-enameled and baking give you a car of lasting lustre. It gives the Jewett Six Brougham the rich black gloss all over the car, seen only on fenders of other cars. Trust Paige to contribute such a step toward lasting good looks!

Full, roomy comfort for five—extra long leg room in front. Two individual front seats which both fold forward, give easy entrance and exit from either side. Rear seat is of full width for three. Interior finish the kind you'll be proud of. Upholstered in velour. Remove the rear seat cushion and there's room for sample trunk or cumbersome baggage. Commodious trunk on rear is extra well made.

Like all Jewetts the Brougham has full 50 horse-power, Paige-built motor that fills the hood.

Hollow crank-shaft high pressure oiling system gives silent smoothness and long life. Paige-Timken axles front and rear; ball-bearing steering spindles; 6-inch-deep frame. Ruggedness throughout that explains Jewett's acknowledged stamina.

Jewett Brougham performs like all Jewetts—goes from 5 to 25 miles an hour in 7 seconds, in high gear; from 2 to 60 miles an hour, in high. Passes most any car on any hill. Gear shifting is rare, and easy when you do shift.

Business men, salesmen, farmers, wives with children to look after—everyone will welcome this new Jewett Brougham. It is smart in appearance—permanently good looking. No apologies for the looks of the finish—requires no attention but washing.

We are proud to have you drive this new 5-passenger Brougham yourself for any kind of a test you want—performance, comfort, good looks, safety and for convenience.

## ANTIOCH DEFEATS CEDARVILLE 25-9 IN OPENING GAME

Coach John A. Talcott's Cedarville College eleven fumbled its way to a defeat at the hands of Antioch College in the opening game of the season at the Yellow Springs oblong Saturday afternoon. The score was 25 to 9.

A 40-yard run with a punt in the second quarter by Markie kept the United Presbyterians abreast of Coach Earl Prugh's pastimers in the first half which ended 6 to 6, but erratic defensive work and some brilliant open field running, enable the Yellow Springs tribe to score 19 points in the third quarter. A pretty drop kick from the 35 yard mark by Larry Currie, former Central High star, topped off Cedarville's scoring in the final quarter.

Antioch presented a better coached and better trained eleven than did the Cedarville gang. Talcott's charges showed plainly the effects of only eight days' coaching they have received. They fumbled consistently, ran their shift plays too slow and tackled poorly. More consistent playing would have given them the victory. Although Antioch showed the need of more training Prugh's athletes will also stand considerable polishing off before facing Wittenberg this week.

Neither team gained consistently on straight football, most of the scoring being of the freak variety. In the matter of straight attack the teams were evenly matched. The initial period ended scoreless but Jerry Light broke through the scoring ice in the second period as the conclusion of one of Cedarville's costly fumbles. Light raced 55 yards with the loose ball.

Cedarville gained consistently after this scoring carrying the ball to the 15-yard line, where Peters fumbled, and Boyd recovered. Antioch punted and Markie caught the partially blocked kick near the sidelines. Currie missed the attempted place kick. With the teams neck and neck Kitchen took the heart out of Cedarville when he blocked Currie's kick on Cedarville's own ten yard line and picking up the oval dashed across the line for Antioch's second touchdown. Reiness furnished the feature in this quarter when he recovered a punt from Currie's toe on his own two-yard line and evading the Cedarville flanks and secondary offense ran 98 yards for a touchdown. A series of line plays and forward passes permitted Reiness to score with the final tally in the third quarter.

Captain Walker Taylor, Cedarville end and former Central High star, played a wonderful defensive game for his team, his tackling being sure and accurate. Many Cedarville tackles were loose, however especially so in attempting to draw down McWhorter and Reiners, Antioch's slippery open field runners. Peters at quarterback, ran his shift plays too slow and fumbled frequently. Markie, Currie, Arthur and Craft played well for Cedarville. Antioch's line is nothing to brag about especially on the left side, where frequent substitutions made, seemed not to improve it. In McWhorter and Reiners Prugh has a set of shifty backs, who would shine brilliantly if the team was permitted to play in its class instead of going out of its way to be used as a punching bag for such Ohio Conference teams as Wittenberg and Miami.

Antioch Cedarville

Scoring: Touchdowns—Antioch, Light, Kitchen, Reiners (2); Cedarville—Markie. Goals from touchdown: Ditweiler, 1 (goal from placement); Field goals: Currie, Substitutions: Antioch: Godlesky for Schantz, White scower for Owings, McWhorter for Connor, Wheeler for Bell, Leigh for Boyd, Boyd for Leigh, Ball for Kitchen, Kitchen for Wheeler, Wings for Whitesover, Ronemus for Reiners; Cedarville: Webster for Kyle, Townsley for Dovel, Referee: Reese, Denison; Umpire: Abbott, Syracuse; Headlinesman: Lynch, Antioch.

### TOURNAMENT IS HELD.

The Wilberforce Athletic Club was holding a closed tennis tournament Monday afternoon in preparation for arrangements for the Western Association Tournament at Wilberforce, in August, 1924. Theodore C. Carter, and others are in charge of the tournament.

## GIVES TWICE THE HEAT AT HALF THE COST

### Burns Oil in Any Stove

GIVES TWICE THE HEAT  
A wonderful new burner which works in any coal or wood stove or furnace is the proud achievement of the International Heating Company, 119 South Fourteenth St., Dept. 3368, St. Louis, Mo. This remarkably simple and inexpensive invention heats stove and oven in half the time and does away with all the dirt, ashes, and drudgery of using coal or wood. It gives the convenience of city gas at half the cost. It can be put into any stove in a few minutes and gives a tremendous heat controlled by a simple valve. The present high price of coal makes it a great money saver. The manufacturer offers to send this remarkable invention on 30 days trial to any reader of this paper. They are just now making a special low price offer. They also want agents. Write them today.

## DREAM OF RED SOX FADES IN THIN AIR WHEN BAYLIFFS POUND OUT ENORMOUS VICTORY

By Wones

The Xenia Bayliffs are still City and County Champs. They successfully defended their titles Sunday afternoon at Washington Park against the Xenia Red Sox, overwhelming the colored boys 27 to 2 in seven innings.

King Davis, star twirler for the Red Sox started on the rubber for the east end gang. His control was not good and the result was that he walked six and fanned seven. His sharp breaking curve that has been a complete puzzle to other baseball nines was anything but effective against the Bayliff clouters who knocked his offerings to all corners of the lot. Jones took his place in the fourth but he was as wild as Davis and passed five batters. His pitching was no more effective and in the fourth the Bayliffs scored 15 runs off of Jones. Of course all of the markers were not earned. Neither Jones nor Davis was given very good support, something like 12 errors being made by Pete Green's outfit.

Bob Herman was Manager Bayliff's choice for mound duty and this lad did a neat job of it. Bob came mighty near to the hall of fame by letting the colored lads down with two bingles. He fanned three and walked one, and was complete master at all times.

He was given nice support by his mates who made few errors behind him. Herman was responsible for one of them when he made a wild heave over first.

The Bayliffs scored in the first inning after Furnace walked and took third on Davis's wild peg to Shoecraft. Longnecker doubled and Furnace and Kavanaugh scored. The Bayliffs added another in the second. Tracey walked and stole second and went to third on a passed ball and scored on Davis's wild pitch.

The real slaughter started in the fourth inning when the Bayliffs scored 15 runs. They also added nine more markers in fifth.

The Red Sox scored in the fourth. Warner was safe on Early's error and took second on Webb's sacrifice. Davis singled to left scoring Warner. The Red Sox got their last tally in the sixth. Thompson doubled and went to second on an infield out and scored Warner's sacrifice.

The whole Bayliff team played nice ball but the work of Longnecker, Catton, Kavanaugh and Shuey stood out. Longnecker had seven chances at second without an error. Next Sunday the Bayliffs will play Miamisburg at Washington Street Park.

## RINK DEDICATED AS PLACE OF WORSHIP BY LOCAL K. K. K.

What was claimed to be one of the largest crowds ever attending a religious service in Xenia, was present Sunday afternoon, at the dedication of the rink as the Greene County K. K. K. Church. The rink recently has been transformed into a place of worship.

Arrangements had been made to seat 2,300 but before the ceremonies began every available seat was filled, and the side walls were lined. Hundreds were turned away, it is said.

At the opening of the services the Junior Order marched down the aisle, carrying an American flag, and took their places at the altar.

C. C. Woodward, county organizer, after a few remarks introduced a Dr. Smith, of Butler County, who painted a vivid word picture of the founding of the K. K. K.

Following Dr. Smith's address, a Rev. Myers of Columbus, in speaking of the political side of the organization, said that the Klan had been called a political machine, an allegation which he denied. "It is the purpose of the organization to have but one government in the United States," he said. "It will be a government for all the people, promulgated and carried on by the consent of the governed."

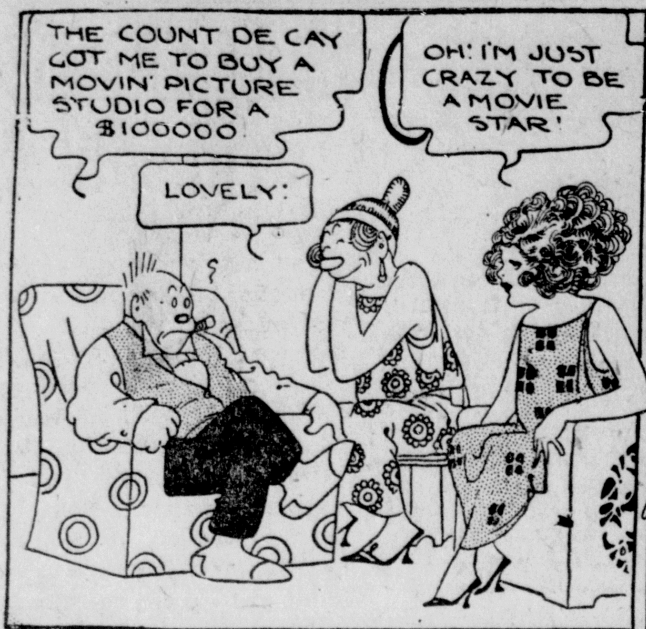

At the conclusion of the Rev. Myers' talk, a Mr. Baumgardner took up the principles of the organization, which he said consisted only of "the tenants of the Christian religion; protection of pure womanhood; law and order; separation of church and state; one school; one flag and one language."

"The time will come," he said, "when government will be taken out of the hands of bossism, and placed in the hands of the American people. We do not hate anybody. We are not against the Negro, not against the foreigner, insofar as we want the foreigner of the better class, and do not want America made the garbage can of all Europe. We are not against the Roman Catholics. We stand for the best principles of church and state and the principles of Christ. We take an oath to dedicate our property and our hearts to the defense of our country. The 100 per cent motto, which klansmen have adopted, is an ideal, which they seek to attain, and stands for 100 per cent allegiance and loyalty."

A Xenia quartet gave several selections, and Mrs. Raymond Wolf sang a solo, "The Old Rugged Cross." The key to the new church was presented to Dr. R. L. Haines, who accepted it in behalf of the organization.

Announcement was made that hereafter every Sunday afternoon, religious services would be held to which the public is invited. It was also stated that on October 27 a Klan demonstration would be held in Xenia, and that the ceremonies would be open to the public.

## TWO ARE KILLED NEAR TREBEINS AT GRADE CROSSING

Floyd Howard, 35, colored, of 222 Franklin street, Dayton and his wife Ada Howard, 37, were killed and Mrs. Mary Smith, 15 Catherine street Dayton, was injured when their automobile was struck by west bound Pennsylvania passenger train No. 21, at the Valley Road crossing near Trebeins, Sunday morning at 9:05 o'clock.

Howard, was driving over the detour, in use while the Dayton and Xenia pike is being repaired, drove his machine on the tracks apparently without knowledge of the approaching train. The train was traveling at a high rate of speed to make up lost time, and the machine was carried several hundred feet. Howard was dead when trainmen reached the wreckage.

The accident victims were taken to Dayton on the train after Dr. W. A. Galloway, railway surgeon, had been summoned, and the women were removed to Miami Valley Hospital. Mrs. Howard died there Sunday night. Mrs. Smith was only slightly hurt and was able to leave the hospital shortly afterward.

The train, in charge of Engineer Al Schott and Conductor J. S. Willis of Columbus, was due in Dayton at 8:20 o'clock but was running about an hour late. The right of way near the accident is visible in both directions for several hundred yards. The Ford machine was demolished.

Coroner R. L. Haines, of Greene County, was called to Dayton to investigate the accident, because it took place in this county.

## SKETCH SUBJECT

Mrs. Helen Peters Wallace 2123 Lyray Avenue, Walnut Hills, Cincinnati, niece of Miss Emma King, this city, was the subject of a sketch, "Mirrors of Cincinnati," in the Cincinnati Times-Star, recently. Mrs. Wallace is the president of the Y. W. C. A. of Cincinnati, and has served

that organization and other important causes for some time.

She was for a number of years a member of the National Board of the Y. W. C. A. During the World War she was chairman of the land army work, and also directed social service for Negro girls, doing war work in various industries. Mrs. Wallace is a Vassar student.

## GREENE COUNTY IS WELL REPRESENTED

Knights of Pythias Orders, and their sister organizations, the Pythian Sisters, of Greene County are well represented at the Grand Lodge, K. of P. Meeting, at Toledo, this week.

The following representatives from the county, will attend the convocation September 24, 26: H. H. Smith, Ivanhoe Lodge, Xenia; M. F. Burrell, McKinley Lodge, Bellbrook; B. D. Merrick, Silver Star Lodge, Alpha; Ira Skyles, Cyclone Lodge, Jamestown; Frank Hazen, Clifton Lodge; Mr. Jolly, Osborn Lodge; Mrs. L. D. Ball, Xenia Pythian Sister Lodge; Mrs. Skyles, Jamestown Pythian Sisters.

## ISSUES WARNING TO XENIA PEOPLE

Housewives, boarding house keepers and others are warned against the operations of a stranger, who claims to be a representative of The Ohio Bell Telephone Company.

According to H. W. Cleaver, commercial manager of the telephone company here, a stranger has been posing as an advance agent for a gang of workmen employed in reconstruction work here by the company and in that capacity has obtained room and board on the promise that the telephone company would pay the bills.

People approached by anyone representing himself to be an agent engaging living quarters for workmen being brought here for the telephone company should call Main 1200 to make certain he has such authority.

## A WIFE'S STORY

By Jane Phelps

### DAVE LOGAN'S VISITS DISPEL LONELINESS

Chapter XXXV

As Paul remained out more often, Dave Logan's visits grew more frequent. Now he would drop in of an evening and sit with me a while telling me of the latest play he had seen or the general news of the day. I welcomed him gladly. I was lonely, and wasn't he our best friend?

Gradually I grew to expect him, to feel disappointed when he did not come. Often I thought: how could Evelyn Markham be so mistaken in him? It might be it was some personal feeling on George Markham's part, something connected with business that had made him bitter against Logan.

It was Logan who kept me supplied with the new books and magazines with which I whiled away the long evenings alone. It was he who sent me tickets to the Saturday matinees, always three, so I could take the girls. It was he who sent his car on pleasant days telling me to use it for shopping or pleasure. And when I refused to use it seemed hurt.

I invariably told Paul when Dave Logan called, spoke of the books and magazines he brought me; I had nothing to hide, no feeling but that Logan's kindness was due to his liking for Paul.

"He's got scatters of money, why shouldn't he give you books?" Paul said carelessly.

"Many people who have money are neither so kind-hearted nor so thoughtful," I replied. "He is a very wonderful friend to you, Paul."

"Men of his stamp are very apt to like to associate with men intellectu-

ally their superiors." Paul returned. "They feel it a compliment that we I said no more, what use to talk against such egotism?"

After my talk with Paul about his debts I once more began to economize even more strictly. I ceased inviting people to dine, asking them for an evening at bridge or an afternoon tea. Simple refreshments would serve and be far less costly than a dinner. I had bought new clothes as we needed them, but now I bought nothing save as it was an absolute necessity. I would help Paul catch up again. I mentioned this to him when the first of the month came around, saying he would find fewer bills and those greatly reduced. I got no thanks. He grumbled:

"I won't have you pinch and get to looking like a frump again and I won't have people talking about your economies. I told you I should soon have more money, and I won't have people discussing my affairs, poking their noses into my business—as they will if you scrimp now and then we are able to live as we should. Buy what you need. The bills will be paid."

Dave Logan too, had noticed my attempts to economize, he questioned me and I admitted I feared Paul was too optimistic that I wanted to help him.

"We are getting older Dave," I told him. "The girls are almost young ladies now. We must have something for our old age, for them if we can."

"They are sure to marry well, especially Joan. She is very attractive. You talk about being old why at 31 you are far more interesting than you were ten years ago—and handsomer."

"Thank you for those kind words," I laughingly replied "but sometimes I feel 60. But seriously Dave, I am anxious to begin to save. Paul is greatly influenced by what you say I wish you would advise him to look up for the

rainy day that comes to most every one."

"No rainy day will ever come to you if I can help it," Logan replied seriously, a look in his eyes I could not fathom. But I took his words as a promise to keep Paul employed; to mean that because of giving him employment I need not worry.

I was old enough to have better judgment, but because of the life I had led was more innocent of many things than was Joan, even than shy, quiet Laura. My husband my only lover, my simple home life before I met him and my hard, anxious life since, had made a singularly unsuspecting glad to accept friendship where I found it. And with all Paul's careless ways, his many faults of character I never doubted his faithfulness any more than I would have my own. I was his wife I loved him. He was my husband and was true to me.

I was not the type of woman who looked for trouble. I never thought of being jealous assured there was no cause.

Tomorrow—Logan Inspires Distrust Of Paul

## MISSION TO OPEN WEDNESDAY NIGHT

The ministerial team that will have charge of the week-end evangelistic mission which opens at the First Baptist Church, this city, Wednesday night, was announced by the Rev. R. E. Brown, pastor, Sunday morning.

The team will be composed of four pastors, besides other visiting ministers, who will assist in the services. The Rev. W. K. Staley, and the Rev. M. F. Scruby, of Dayton, the Rev. M. L. Long, district secretary, and the Rev. C. H. Stull, Granville, state secretary of the Ohio Convention, will open the services Wednesday night at 7:30 o'clock. Two sermons will be delivered each evening according to the Rev. Mr. Brown. The mission will close Sunday.

## Health Hints by the Father of Physical Culture

BERNARD  
MACFADDEN

Milk is the greatest of all diet cures. It is already scientifically combined.

I have personally secured benefits at different times in my own life that could not be measured in money value.

John D. Rockefeller, the richest man in the world, advertised nearly thirty years ago and offered a million dollars for a new stomach. I never heard of any one accepting this offer, but a short time after that reports were frequently circulated of his interest in outdoor life, golf, etc., and now, at his greatly advanced age, it is reported that he lives exclusively on milk; that he is maintaining his life at his present great age because of this simple diet.

The milk diet, properly prepared for and properly used, is capable of bringing about marvelous changes in the physical organism.

There are times in the life of every human unit when the milk diet can be of extraordinary value.

It will undoubtedly give you more life while you live and it may add many years to your life. It may actually save your life in a crisis when a simple, invaluable food can be used advantageously.

Indeed, the food value of milk can hardly be overestimated. This may be better visualized by remembering that a quart of milk equals in food value three-quarters of a pound of beefsteak, two pints of oysters, eight eggs, two pounds of chicken, three-fifths of a pound of pork chops, or three pounds of fresh codfish.

When one is securing, then, from four to six quarts of milk daily (the usual amount taken on the full milk diet) one can see that the body is securing a large amount of most valuable and wholesome nourishment. Owing to the selective action of the cells of the body and because every necessary element is furnished to normalize functional processes and make it unnecessary and practically impossible for the cells to take up an excess of a certain element, all of any particular element that is supplied above the absolute demands of the human economy for wear and tear, maintaining and increasing weight, and repair work is expelled from the body through normal eliminative channels.

This is decidedly opposite to the action of the system when given the usual conventional diet. In such a diet the system is not supplied with every requisite element, but receives some far in excess, with few corrective, normalizing elements. The final result is an exhaustion of certain functions and a deposition of toxic elements in certain tissues.

Limited space does not permit of extended instruction here, on how to go on a milk diet so I will have to deal with this in another article.

## Men are wondering about the new Fall Models--and here they are--and they are wonderful

Fall 1923 is going down in Clothing History as the Sir Walter Raleigh season in a decade.

Such polite fashions—such a relief from belts and buckles—such a safe and sane showing of unadorned elegance has never been put forth in one season since the Centennial.

Coats are fuller in shoulders—trousers roomier of leg—and the range of patterns is miles wider and fathoms deeper than clothiers sprung this Spring.

Come—it doesn't cost a cent of money to try on and find out what to discard and what to keep on.

Just now we are featuring pencil stripes in our window. See these new models today.

## Two Women You Know

There's the one who puts on her street costume, dabs a bit of powder on her nose and sallies forth to shop. She looks here, there and everywhere. She hunts and hunts and h u n t s. When she arrives back home she is jazzy and jaded—all mussed up, mentally and physically.

There's the other who really has learned the shopping art. She reads the advertisements before she starts out. She finds out exactly what she wants and where to get it. Then she goes straight down-town and right to the store that has it. In this way she saves time, money and effort. She comes home fresh as a daisy and ready to get the family a good dinner instead of wishing they could go to a cafeteria.

And the moral is—"A Straight Line Is the Shortest Distance Between Two Points."

Read the advertisements

## SAYS GOVERNOR RESORTING TO INTIMIDATION

Oklahoma Solon Charges  
Gunmen Employed  
By Walton  
SEEK INTERVENTION

Both Sides Say Federal  
Investigation Would  
Be Welcome

Oklahoma City, Okla., Sept. 24.—Gunmen and secret service operatives in the employ of Governor J. C. (Iron Jack) Walton are circulating throughout the state intimidating legislators who are planning to assemble here Wednesday to impeach the governor, Representative W. D. McBee, leader of the legislative fight to impeach Walton asserted today.

The "intimidators," he said, "number at least 25. Some of them, he declared, "are hardened paroled convicts."

McBee said that "regardless of this disgraceful procedure, he could promise that within 48 hours 75 members of the lower house will be in Oklahoma City to attempt a peaceful assemblage."

Governor Walton today turned forth a barrage of ridicule on the knights of the "Invisible Empire" and took occasion to deny flatly the statement of Rev. W. D. McBee, leader of the anti-Waltonists that there was any intimidation of legislators who plan to meet here Wednesday to impeach the governor.

Oklahoma City, Okla., Sept. 24.—Federal intervention in or investigation of the entire seething situation in Oklahoma, including his own charge of super-government here by the "invisible empire" and the counter charge against him of military despotism and autocratic rule, would be welcomed by Governor J. C. Walton in his final fight now being waged against the Ku Klux Klan.

"And it may come to federal intervention before it is over," said the governor.

The governor had been asked what would be his attitude toward submission of the issues to United States courts for ruling on moot legal questions, or to other federal governmental agencies for investigation. "I would welcome it," he replied. "Yes, sir; it would definitely settle the matter. That is what is needed. Then there could be no further denial of the existence of the situation I charge exists here. I am that confident."

A few hours earlier certain members of the legislative quorum seeking to assemble itself for the purpose of impeaching the governor had urged openly that presidential intervention "to preserve a republican form of government" be sought in Oklahoma. It was suggested that President Coolidge be appealed for intervention and designation of a federal military court of inquiry to sift evidence for the "real facts in the case."

C. D. McBee, leader of the legislative quorum, said that his organization would try every way to meet peacefully and quietly, and reiterated the assertion that force would not be met by force either in offensive or defensive tactics. McBee charged that every form of coercion and duress and threat was being thrown in the way of legislators to prevent their coming here for assembly Wednesday.

One man prominent in the initiation in the impeachment movement said that his closest friend had come to him and warned that if he joined other legislators in trying to enter the assembly chamber at the state house Wednesday he "would be walking into a death trap." "I don't believe this," said this man. "I don't think anyone is going that far, especially since we aren't going to show any belligerency."

The soldiers are doubly active now in enforcing the midnight curfew law and in scrutinizing suspicious strangers in the city. Congregation of any number of opposing forces here under the guise of state fair crowds is being guarded against.

The governor was questioned about his political aspirations. He was asked point blank if he was now or planned to be a candidate for the United States senate to succeed Senator Owen in 1924, and he said, "No, sir."

**IRISH IRREGULAR RELEASED.**  
Dublin, Sept. 24.—Wan Breen, one of the leaders of the Irish irregulars, has been released from Mount Joy prison after a hunger strike.

## CIVILIZATION RELYING MORE ON MORAL FORCE SAYS COOLIDGE

Washington, Sept. 24.—The hope of real progress in the future lies in the knowledge that "civilization is coming to rely more and more upon moral force" rather than armies and navies for the settlement of world problems, President Coolidge declared today in an address before the annual convention of the American Red Cross in Continental Memorial Hall.

"The American Red Cross," the president said, "is a spiritual conception of human relationship. It is a life in obedience to the things that are unseen."

"Throughout history men have been prone to put their trust in other things and have failed. They have sought power through material resources alone. They have thought it might be gained by the accumulation of great riches. They have attempted to rely upon naked force of armies and navies conquering by the might of the sword. They are necessary for security, as police and criminal courts and bolts and bars are necessary."

"They are adjuncts of peace. But they are negative forces. They do not create, they resist. They are not the ultimate force in the world. They do not make the final determination among men. Over them is a high power."

"Mankind has not yet, can not yet, discard the use of these forces. It is significant, however, that the great nations have at last agreed upon their limitation but it is even more significant that civilization is coming to rely more and more upon moral force."

This was Mr. Coolidge's first public address since he became president.

As President also of the Red Cross Mr. Coolidge formally opened the convention which was attended by more than a thousand delegates from all over the country. Members of the cabinet a number of foreign diplomats and many other government officials heard the president's address.

In the spiritual conception of world

## MARION NEWSPAPER SUSPENDS MONDAY

Marion, O., Sept. 24.—The Daily Tribune established in 1841, suspended publication today. The Tribune had a circulation of 7,000 which has been taken over by the Marion Star, formerly the late President Harding's newspaper.

In an announcement of the suspension of publication, the Tribune pointed out that it had been fighting a losing fight with the Star, and that Marion, a city of 30,000 is not large enough to support two daily papers. The Marion Star, taking over the circulation of the Tribune, has announced itself as planning to treat fairly all political questions and other factional interests.

**QUARRELED OVER A DITCH.**  
Millersburg, O., Sept. 24.—An argument of years between Fred Aufrance, mayor of Nashville, village near here, and A. E. McMillen, his friend, over whether a ditch on their joint property should remain open or closed, ended in a near tragedy. Aufrance is in a hospital at Wooster, his face badly burned by acid and facing the chance of losing his eyesight. McMillen is sitting in a cell in the Millersburg jail, charged with maiming his friend.

## THINK COUNTRY IS ABOUT READY TO CAPITULATE

Government, It Is Said, Decides to Surrender Unconditionally

FRENCH ARE FIRM

Revolt Movement Will Be Sternly Suppressed It Is Announced.

Berlin, Sept. 24.—Riots and violent deaths were reported from various quarters of Germany today. Five persons were killed and 11 wounded in fighting between police and communists near Wiedersich.

Six workers and two policemen were seriously wounded in a clash at Gleiwitz.

At Lorrach, unemployed men overpowered police and locked them up in the town hall. Police reinforcements later liberated them.

One person was killed and many wounded in violent riots that raged in Dresden. Mounted police were overpowered when they tried to restore order. Later they gained the upper hand.

Thirty persons were taken to hospitals at Treves following a violent battle between Rhineland separatists and political enemies. The separatists were attacked with sticks, umbrellas, canes, stones and pieces of lead pipe.

Berlin, Sept. 24.—The Berlin government's warning that any movement of revolt, right or left, would be sternly suppressed, is likely to have a sobering effect.

The warning was considered necessary in view of the government's reported contemplated decision on unconditional surrender, which is being submitted to the full cabinet, and to the party leaders, representatives of employers in the Rhine and Ruhr, and to the premiers of the reich states.

The cabinet at its extraordinary session did not come to any final decision in the matter, but unless the plan is rejected by the cabinet, and then the various groups to whom the problem is presented, the capitulation of Germany will be announced to the world in the form of a proclamation Tuesday or Wednesday.

The decision of the government to give in had been taken reluctantly, but was inevitable in view of the refusal of France to make any concession to Germany regarding the release of arrested Germans or the return of deported citizens of the occupied areas. The French ambassador here stated that he was not prepared to agree to anything short of unconditional surrender in the form of recantation of all the resistance decrees passed by the Cuno cabinet.

It is understood that the proclamation will state that owing to the intense misery of the population, Germany feels compelled to terminate the resistance against the breach of international law represented by the Ruhr occupation, and withdraws all decrees furthering that object.

## WOMAN SLAIN.

Youngstown, O., Sept. 24.—Mrs. Mary Kovall, 31, mother of three children, was shot and killed in her home here, and police are hunting for her husband, Steve Kovall, who, they charge, did the shooting.

Massillon, O., Sept. 24.—Joseph Brownell, 31, shot and killed his wife, Ethel, 26, with a shotgun, in their apartment here and then committed suicide by shooting himself through the head with the same weapon. Police say the murder and suicide followed a quarrel between Brownell and his wife.

## Ministerial Crisis In Bulgaria Is Reported

Belgrade, Sept. 24.—A ministerial crisis has developed in Bulgaria, according to a report from the frontier today. Minister of Justice Smiloff has resigned.

Jugo-Slavia has concentrated two divisions of troops along the southern frontier to prevent Macedonian raids. The Bulgarian government asked when the troops would be removed. Belgrade replied that the troops would be maintained on the border until the situation becomes tranquil. A few isolated disturbances have been reported. The Bulgarian government is reported to have issued a decree for mobilization of all reserve under officers.

Sofia, Sept. 24.—(Censored)—Small scale fighting between communists and government forces was reported southeast of Maslych today.

The government claims to have put down the red revolt.

Many rebels are still being pursued through the hills where they fled. Numerous arrests continue.

During a communist raid M. Guicheff, a young architect and a brother of the wife of the Bulgarian minister to Czechoslovakia, was killed.

Nationalist feeling against the Communists is growing stronger daily.

## CLUE IS FOLLOWED IN MURDER CASE

Millville, N. J., Sept. 24.—Suspicion turned to a married man, the owner of a motor car and a scratched face, as the slayer of Emma Dickson, 15-year-old high school girl, whose body was found under a clump of bushes near here. This man, it was declared, although not long married, had made advances to the school girl. Her fear of him became so great, following a motor ride on which she said he threatened to kill her, according to friends to whom the girl revealed her distress at least six weeks before her murder, that she refused to walk alone at night. Near the spot where the girl's body was found and at the place where the girl's torn clothing was discovered, police declared, was found the blood and hair covered, hub cap from a motor car wheel. It was from the same kind of a car driven by the married man under suspicion.

## DROWNED AS AUTO STRIKES BRIDGE

Covington, Ky., Sept. 24.—Jumping from an automobile into a creek to escape death as the auto in which they were riding crashed into a bridge about near this city Sunday, Albert Evans, Cincinnati Negro chauffeur, was drowned and Mrs. John Morgan of Newport, Ky., wife of the owner of the car narrowly escaped a similar fate. The pool into which they leaped is several feet deep. Mrs. Morgan was rescued by her husband, who later recovered the body of the chauffeur.

## END OF LIQUOR CONSPIRACY TRIAL.

Cleveland, Sept. 24.—Only a few minor witnesses remain to close the trial of the Counts-Shearer-Hoskins alleged liquor conspiracy, attorneys for the prosecution and defense announced. The case, it is expected, will end not later than tomorrow night. Fred Counts was on the stand today for cross-examination.

## FAILURE TO BE PROBED.

Cincinnati, Sept. 24.—Announcement that the failure of the brokerage firm of Beazell & Chatfield of this city will be investigated by the Hamilton county grand jury was made by Prosecuting Attorney Charles S. Bell. The county grand jury investigation will be independent of any possible inquiry by the federal grand jury. Mr. Bell said. The Beazell & Chatfield company failure involved more than \$1,000,000.

## GOVERNMENTS LEDGER TO SHOW SURPLUS OF 400 MILLIONS

Washington, Sept. 24.—The government's ledger will show a surplus of \$400,000,000 this fiscal year as a result of a steadily increasing income and the administration's economy program, treasury officials estimated today. This figure is double that of previous surplus estimates and practically assures a reduction of federal taxes by the next congress.

What form tax reduction will take is not yet officially known. The Treasury Department's experts are studying the question but have not yet submitted their conclusions to Secretary of the Treasury Mellon. The secretary will defer for some time announcement of his recommendations to congress. His annual report goes to congress in December, soon after it convenes. His recommendations, however, will be framed within the next thirty days, as some of the phases of tax reduction already have been the subject of discussion by the president and his cabinet.

Strong pressure will be exerted in both the House and Senate for lowering the rates on moderate incomes. Advocates of this plan are gaining new support and indications are that unless this is done they will oppose efforts of the administration to reduce surtax rates on large incomes.

Soldiers' bonus supporters are heartened by the certain prospect of a big treasury surplus, as they figure it will stimulate the campaign both for a bonus and for tax reduction. Bonus supporters do not anticipate that the tax reduction program will militate against them.

## PILOTS KILLED WHEN LIGHTNING STRIKES CRAFT

Disaster Overtakes Aircraft Entered in Big Race In Brussels

OTHERS ARE KILLED

Spanish Balloon Also Reported Destroyed During Storm.

Brussels, Sept. 24.—The United States Army balloon S-6 which started in the race for the James Gordon Bennett cup was struck by lightning near Nistelrode, Holland, killing the pilot Lieutenant Olmstead and his assistant, Lieutenant Shoptaw, said a dispatch received at race headquarters today. The balloon fell in flames.

The balloons ran into a violent thunder and lightning storm which played havoc with them. Up to noon word had been received of the death of five men and the serious wounding of another.

The Swiss balloon Zurich, piloted by M. Picard, was forced by snow to land 20 miles south of Eindhoven.

At 1:30 o'clock this afternoon ten of the balloons were still unaccounted for.

President Jacobs of the aero club of Belgium, formally visited Henry P. Fletcher, the American ambassador, tendering the condolences of the air organization.

Major Wash, air officer attached to the United States embassy has made plans to go to Holland for the bodies after Fletcher has arranged with the Dutch authorities to allow them to be shipped to Brussels.

The United States has no military attaché in Holland.

Destruction of the Spanish balloon Polar at Heyst took place amidst dramatic circumstances. The balloon was flying at an altitude of 1200 meters when spectators below saw a flash of lightning. It was followed by a loud crash like thunder. The balloon began to fall but the pilot threw out the sand ballast and it remounted. Then it burst into flames.

The Polar crashed to earth, a twisted, burning mass, killing the assistant pilot, Lieutenant Gomez, and breaking the leg of Lieutenant Penaranda, the pilot.

All the Americans are out of the race. The U. S. Navy balloon A-6599 piloted by Lieut. Lawrence, landed safely near Cutten, Holland, while the third American entry, piloted by Ralph Honeywell, failed to start.

The first intimation the Belgian aero club had of the American tragedy was receipt of a telegram at 9:45 o'clock signed by a Dutch doctor. He said that the charred wreckage of a balloon had fallen near Nistelrode and that the occupants, both dead, had been identified as Lieuts. Olmstead and Shoptaw.

This was only one of a series of messages telling of disaster and death.

Two Swiss Lieutenants had been killed when the Swiss balloon Geneva was struck by lightning near Beverlee and fell like a comet with a tail of flames and smoke trailing out behind. The victims were Lieuts. Von Gruening and Wheren.

One of the three Spanish balloons crashed near Heyst Greer, killing the pilot, Lieut. Penaranda and breaking the leg of his assistant, Lieut. Gomez. Seventeen balloons, including two Americans got away at the start. Before the get-away Lieut. Olmstead told International News Service in an interview he was positive the cup would be won by the United States.

Lieut. Robert Olmstead lived in Boston and he was regarded as the "hope of the American army" in the contest.

The French balloon Fernande, piloted by Lieut. Blacet, was forced by the storm to land near Antwerp.

## HOLD LEGISLATIVE RE-UNION IN OHIO

Cincinnati, Sept. 24.—More than 250 members of the Ohio General Assembly and other state officials are expected to arrive in Cincinnati today for the legislative reunion to be held this week. A varied program of entertainment has been arranged including sightseeing trips. The entire party will leave on a special train Wednesday for Chattanooga, Tenn., and will spend Thursday in the mountains in the vicinity of that city. On the trip to Chattanooga the officials will be the guests of the trustees of the Cincinnati Southern railway which is owned by the City of Cincinnati.

## WOULD END LIMA STRIKE.

Columbus, Sept. 24.—Finding that absentee ownership of a utility corporation usually leads to misunderstanding, Herman Witter, director of industrial relations, wrote T. H. Newhall of the Drexel-Morgan company, Philadelphia, majority owner in the Lima Street Railway company, asking that he come to Lima to make an effort to settle the strike now on in that city. In his letter, Mr. Witter points out that personal prejudice seems to be standing in the way of a settlement of the controversy.

## VISCOUNT MORLEY DEAD.

London, Sept. 24.—Viscount Morley of Blackburn died at 7:10 o'clock last night. Heart failure was the announced cause of his death. He held many posts of importance in the government service, including chief secretaryship for Ireland.

## BIG STILL CONFISCATED.

Youngstown, O., Sept. 24.—State dry agents found an apparatus of 650 gallons capacity in a house in the residential district here. Tony Sipps, said to be an employee of the owner, was arrested.

## SAYS GERMANY NOT TREATED HARSHLY

Paris, Sept. 24.—"The slope downward is steep and it is not France who is sliding," declared Premier Poincare in a speech at Champenoux, in Lorraine, on the subject of reparations. "Germany has not been treated harshly," said the French premier. "On the contrary she has been treated with a moderation of which history offers few examples. France, which spends millions daily on Germany's account in rebuilding the devastated regions, can not much longer continue these expenses which are ruining her, nor can she afford to cease reconstruction. Therefore Germany must pay."

Paris newspapers hail the premier's speech, which is more moderate than his usual utterances, as "the last warning to Germany."

# RE-APPOINTMENT OF TEACHERS IS MADE AT WILBERFORCE

Difficulties, which it is said have resulted in tying up finances of the Combined Normal and Industrial Department, the state supported department, at Wilberforce University, so that teachers and other employees have not received their salaries since June, were ironed out at a joint meeting of the C. N. and I. Board with the State Board of Control held at the institution Saturday.

Action of the joint board included re-appointment of teachers said to have been displaced by a minority faction of the C. N. and I. Board and the reinstatement to official position of William Berry deposed superintendent of the department. It is understood that the appointment of Richard C. Bundy as finance officer to succeed Berry had never been approved by the State Board of Control and resulted in salaries being tied up.

Re-instated teachers are Miss Lucinda Cook, director of the normal department, who, according to reports from Wilberforce was demoted and her salary reduced when May Dorsey was appointed to that position and the re-appointment of Miss Anna A. O'H. Williamson, Miss Cook's assistant. Dorsey, briefly at the head of the normal department, was made a teacher in the normal department. Mrs. Josephine T. Washington, deposed preceptress of women, was replaced in that position and Berry was made professor of agriculture and director of extension work it was learned Monday.

The alleged difficulties are said to have begun with the election of Richard C. Bundy to the superintendency of the state department and finance officer in place of William Berry, at a meeting of a minority faction of the C. N. and I. Board last July.

The State Board of Control refused to approve Berry's removal it is said, and the position of finance officer, then became an empty title to Superintendent Bundy who has since been unable to administer state funds for the operation of the department resulting in employees' salaries going unpaid. At the meeting of the Board in July it is alleged, the minority faction obtained control and removed Mrs. Washington as preceptress of women. The faction is also said to have displaced Miss Lucinda Cook, director of the normal department, demoting her with a lesser salary and making Ray Dorsey head of that department. The demotion is also said to have affected Miss Williamson, assistant to Miss Cook, who was also given a reduced salary.

Contention arose on the ground that the faction that obtained control of the meeting, said to have been led by Norman Fort of Cleveland, Sully Jaymes, Springfield attorney and Dr. Frank Johnson of Cincinnati, had no authority to put these removals in effect because it was alleged there was not a quorum of board members present. Berry contended his removal was illegal in the face of the new law passed by the last legislature which gave the controlling board the authority to sanction the election of a superintendent and financial officer.

The report of state examiners who recently completed an examination at the institution led to the arrangements for the joint meeting held Saturday. The joint meeting re-appointed Miss Cook as director of the normal department at a salary of \$2,000 and also Miss Williamson as her assistant at a salary increase. The joint meeting also appointed Berry professor of agriculture and director of extension work at a salary of \$3,000 a year re-elected Mrs. Washington as preceptress of women and made Dorsey a teacher in the normal department. The combined meeting also appointed Alonzo DeLeon of Springfield, as head of the normal training department in which a vacancy has existed for some time.

The old list of teachers originally passed by the full board was approved by the joint board and Superintendent Bundy was given assurance by the controlling board that he will be officially recognized by the board as finance officer of the C. N. and I. Department, which assures employees they will be paid their salaries at once.

# C. R. YEAKLEY DIES SUNDAY AT NOON

Charles R. Yeakley, 59, bridge foreman of the Pennsylvania railroad, died at his home, 236 Chestnut Street, Sunday at noon, after a lingering illness. Mr. Yeakley had been ailing for the past two years, his condition becoming serious within the last few weeks.

He was born in Virginia, February 20, 1864. He had resided in Xenia a number of years, and was employed on the Pennsylvania railroad for 27 years.

Mr. Yeakley's marriage of Miss Anna Harshman, took place April 26, 1891. His wife survived him with the following children, W. E. Yeakley, Clarence V. Yeakley, Mrs. Florence V. Jay, all of Xenia; Mrs. Marie L. Deems, Columbus; Robert, and James Ralph, at home.

Four brothers, Carson Yeakley, and Dorsey Yeakley, of Winchester, Virginia; Martin Yeakley, Troy; and Edward Yeakley, of Dayton; with one sister, Mrs. Carrie Cole, Dayton, also survive.

Mr. Yeakley was a member of the First M. E. Church and of the Odd Fellows Lodge, No. 59. Funeral services will be held Wednesday afternoon at two o'clock at the late home with interment at Woodland Cemetery.

# DIES SATURDAY

Mrs. Jennie Cooper, 71, died at her home on the Reel Road, near Dayton, Saturday evening at 9:45 o'clock.

She leaves four sons, one daughter, one sister, and one brother, all of whom live in or near Dayton. Funeral services will be held Tuesday afternoon at 1:30 o'clock at Mt. Zion Church and burial will be made in Mt. Zion Cemetery.

# He Furnishes Sunshine In the Winter

W. G. Moore

By the remarkable invention of W. G. Moore, of London, of a specially concentrated arc evolved from electrodes made from a special alloy of rare metals, Wolfraun Rays are made. When concentrated upon any spot in the human body these extreme ultra-violet rays increase the red blood cells and haemoglobin.

# MRS. E. A. GOWDY CALLED BY DEATH

Mrs. Elma A. Gowdy, 91, widow of George Gowdy, and pioneer Xenia resident, died at the Odd Fellows Home, Springfield, Sunday morning at seven o'clock. Mrs. Gowdy had suffered an attack of grip, recently, from which she had not fully recovered, and combined with the infirmities of age, caused her death.

Mrs. Gowdy was born in Xenia, November 10, 1832, and had lived all of her life in this city, until about a year and a half ago, when she went to the Springfield home to reside. Besides a number of nephews and nieces, no near relatives of Mrs. Gowdy survive.

Funeral services will be held from the Nagley funeral home, on East Market Street, Tuesday afternoon at 2:30 o'clock. Interment will be made at Woodland Cemetery. Friends may call at the funeral home at any time, Monday evening, after six o'clock.

# MRS. JANE HIBBERT DIES ON SUNDAY

Mrs. Jane Hibbert, 70, widow of William M. Hibbert and mother of James T. Hibbert of South Detroit street, this city, died Sunday morning at 4:45 o'clock at the home of her daughter, Mrs. F. M. Krebs, 28 Filmore street, Dayton.

Mrs. Hibbert leaves two sons, James T. of this city and Louis of Indiana, and three daughters, Miss Caroline Hibbert, Mrs. M. DeFon, rector, of Cincinnati and Mrs. Krebs, of Dayton.

Funeral services will be held at the home of Mrs. Krebs Wednesday morning at 7:30 o'clock and at eight o'clock at St. Joseph's Church. Burial will be made in Calvary Cemetery.

Physical Health means Beauty!

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

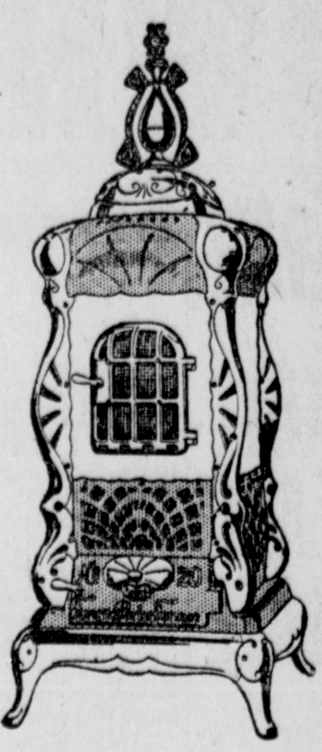

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, black heads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand.

S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

### CELEBRITY ORCHESTRA

**POPULAR AT DANCE.**  
The Harmony Kings, a Xenia orchestra, was popularly received when it furnished the music for the Elks' Charity Ball given at Washington C. I. last Wednesday for the benefit of the local Red Cross raised for Japanese relief.

The Washington C. H. Herald says: "The music was furnished by the Harmony Kings from Xenia. Practically unknown among local dance circles in making its initial appearance, the orchestra scored a decided success and was roundly applauded and praised. The time was splendid and inviting to the dancers. The numbers were up to date and the orchestra played with an enthusiasm and spirit entertaining to dancers and onlookers."

### LUNCHEON-BRIDGE

**AT OLD BARN CLUB**  
Mrs. E. S. Myers and Mrs. Ward M. Huston entertained at an attractive luncheon-bridge, at the Old Barn Club, Dayton, Saturday afternoon.

The guests were received at one o'clock for luncheon in the club rooms, which were effectively decorated with garden flowers. Bridge was enjoyed during the afternoon. Miss Margaret Felch of Columbus, and Mrs. Wright of California, mother of Mrs. E. R. Bryant, were the only out-of-town guests.

### TO GIVE WEINER ROAST

The Christian Endeavor Society of the Friends Church, will have a weiner roast, Tuesday evening. Members will meet at the church at six o'clock. For further information, call 494R or 773W.

### SOCIETY TO MEET

The Sunshine Society will meet with Mrs. J. A. Baldwin, Tuesday afternoon at 2:30 o'clock. All members are urged to be present.

Mr. and Mrs. M. L. Wolf, of North King Street, have returned from a motor trip, which they enjoyed through Indiana, and other points, during the past week.

Mrs. J. W. Benbow, of North Galloway Street, returned Friday from Springfield, where she spent a few days with friends.

Mr. and Mrs. J. W. Stevens, of East Second Street, have returned from Anderson, Indiana, where they attended the funeral of Mrs. Steven aunt, Mrs. J. S. Miller. They remained a few days with relatives.

Miss Florence Engilman, daughter of Mr. and Mrs. S. Engilman, left Friday for Pittsburgh, Pennsylvania, to enter the University of Pittsburgh.

Robert North, of South Detroit Street, will go to Richmond Wednesday where he will make his future home. He is a member of the F. P. Canby's Sunday School class in the First M. E. Church and Sunday he was presented with an unbreakable fountain pen as a farewell gift from the class. His brother, Howard North, will go to Richmond Saturday to make his home with his mother.

Mr. and Mrs. J. F. Harshman, of North King Street, had as their guests Sunday, Mr. and Mrs. John Swinley and daughter, Miss Bessie, of Urbana, and Mr. and Mrs. George Roup, of Springfield.

Mr. and Mrs. Otis Hiles, of near Cedarville, spent Sunday as the guests of Mr. and Mrs. A. J. Taylor, of West Third Street.

Members of the Order of Eastern Star, who are planning to attend the weiner roast, given by Mr. and Mrs. D. E. Crow, at the County Infirmary, Tuesday, will be forced to go by motor out Fairground Avenue, to the Hawkins road, to the Dayton pike, to the Infirmary.

A son was born to Mr. and Mrs. Earl McGrew, of 805 West Second Street, Friday morning. The baby has been named John William.

Mr. and Mrs. George Fulton, of Yellow Springs, visited Mr. and Mrs. Thomas McClelland, of this city, Sunday.

Mr. and Mrs. John DeWine, of North Galloway Street, are the parents of a daughter, born Monday morning.

Mrs. Jonas Bailey, of East Third Street, is improving from an attack of summer grip.

Mrs. Ovid Lowe, of South King Street, has been confined to her home for several days, suffering from summer grip.

A daughter, Eleanor Maxine, was born to Mr. and Mrs. Arthur Copsey, of the Springfield pike, Sunday morning.

Members of the Glad Community Club, and their friends are invited to Glad Church, Thursday night, September 27, for a short program, and a social time. Each family is asked to bring sandwiches, pickles and pie.

Lucy Swindler, who was operated on at the McClelland Hospital three weeks ago, brought to the home of her parents, Sunday.

Mr. Dwight Balantine of Springfield spent the week end with Mrs. Balantine, who is visiting her mother, Mrs. John A. Cooper of West Church Street.

### LODGE AND BUSINESS NOTICES

## CAMPING SITE TAKEN BY Y. W. C. A.

One of the most advantageous camping spots in Greene County has been acquired by the Springfield Y. W. C. A. to be used as an outing place for Springfield business girls and others who want outdoor recreation.

The site is a 25 acre tract which was formerly part of the Frank M. Corry farm, near Yellow Springs. The grounds included an area suitable for tennis courts, and high wooded land, well drained, admirably adapted for the location of a central building to house a kitchen, dining hall and lounging rooms. The Little Miami river runs through

the tract and may be dammed at small cost to provide a swimming and diving pool. Scenery nearby is said to be inviting for hikes. Various organizations of girls in the Y. W. C. A. will endeavor to equip the grounds for outing purposes. Among the first requisites will be a well, a main shelter building, dining and cooking hall and cottages. Later it is hoped to provide an electric lighting system, power pumping for the water and other facilities. Improvement will be begun in the spring.

### ONE HUNDRED INJURED

London, Sept. 24.—One hundred and twenty-three persons were reported killed and 100 injured in an earthquake in Khorashan province, Persia, said a dispatch from Teheran this afternoon. The quake was felt over a wide area.

## ESCAPE SERIOUS INJURY IN CRASH

No one was seriously hurt when the automobile driven by P. C. Bankerd, 570 North Detroit Street, and occupied by members of his family was struck broadside by a machine driven by a Dayton man at the intersection of second and West Streets and Cincinnati avenue at 9:30 Sunday morning.

The Xenia people were turning into Cincinnati avenue when the Dayton machine traveling east on Second Street, crashed into the side of their car. The Dayton man, whose name was not learned, said he was confused by watching people coming from St.

Brigids Church and did not see the Bankerd machine.

Mr. and Mrs. Bankerd, Miss Nellie Bankerd and Billy Bankerd were shaken up and bruised. Both fenders and the running board on the right side of the Bankerd machine were smashed and a new tire torn off. The other car was only slightly damaged.

### PAPYRUS SEA SICK.

New York, Sept. 24.—A direless dispatch from the Aquitania says the Aquitania is encountering bad weather, resulting in much motion, which has had a depressing effect on Papyrus, the British champion, on his way to America to race the best American 3-year-old on Oct. 20. The great horse seems listless and is without any appetite. His mouth is dry and he refused to lie down during the night.

### ALL ODD FELLOWS

please meet at hall, Tuesday evening, at 7 o'clock, for Brother Chas. Yeakley's funeral services.

E. R. Richards, N. G.

## RE-APPOINTMENT OF TEACHERS IS MADE AT WILBERFORCE

Difficulties, which it is said have resulted in tying up finances of the Combined Normal and Industrial Department, the state supported department, at Wilberforce University, so that teachers and other employees have not received their salaries since June, were ironed out at a joint meeting of the C. N. and I. Board with the State Board of Control held at the institution Saturday.

Action of the joint board included re-appointment of teachers said to have been displaced by a minority faction of the C. N. and I. Board and the re-instatement to official position of William Berry deposed superintendent of the department. It is understood that the appointment of Richard C. Bundy as finance officer to succeed Berry had never been approved by the State Board of Control and resulted in salaries being tied up.

Re-instated teachers are Miss Lucinda Cook, director of the normal department, who, according to reports from Wilberforce was demoted and her salary reduced when May Dorsey was appointed to that position and the re-appointment of Miss Anna A. O'H. Williamson, Miss Cook's assistant. Dorsey, briefly at the head of the normal department, was made a teacher in the normal department. Mrs. Josephine T. Washington, deposed preceptress of women, was replaced in that position and Berry was made professor of agriculture and director of extension work it was learned Monday.

The alleged difficulties are said to have begun with the election of Richard C. Bundy to the superintendency of the state department and finance officer in place of William Berry, at a meeting of a minority faction of the C. N. and I. Board last July.

The State Board of Control refused to approve Berry's removal it is said, and the position of finance officer, then became an empty title to Superintendent Bundy who has since been unable to administer state funds for the operation of the department resulting in employees salaries going unpaid.

At the meeting of the Board in July it is alleged, the minority faction obtained control and removed Mrs. Washington as preceptress of women. The faction is also said to have displaced Miss Lucinda Cook, director of the normal department, demoting her with a lesser salary and making Ray Dorsey head of that department. The demotion is also said to have affected Miss Williamson, assistant to Miss Cook, who was also given a reduced salary.

Contention arose on the ground that the faction that obtained control of the meeting, said to have been led by Norman Fort of Cleveland, Sully Jaymes, Springfield attorney and Dr. Frank Johnson of Cincinnati, had no authority to put these removals in effect because it was alleged there was not a quorum of board members present. Berry contended his removal was illegal in the face of the new law passed by the last legislature which gave the controlling board the authority to sanction the election of a superintendent and financial officer.

The report of state examiners who recently completed an examination at the institution led to the arrangements for the joint meeting held Saturday. The joint meeting re-appointed Miss Cook as director of the normal department at a salary of \$2,000 and also Miss Williamson as her assistant at a salary increase. The joint meeting also appointed Berry professor of agriculture and director of extension work at a salary of \$3,000 a year re-elected Mrs. Washington as preceptress of women and made Dorsey a teacher in the normal department. The combined meeting also appointed Alonzo DeLeon of Springfield, as head of the normal training department in which a vacancy has existed for some time.

The old list of teachers originally passed by the full board was approved by the joint board and Superintendent Bundy was given assurance by the controlling board that he will be officially recognized by the board as finance officer of the C. N. and I. Department, which assures employees they will be paid their salaries at once.

## C. R. YEAKLEY DIES SUNDAY AT NOON

Charles R. Yeakley, 59, bridge foreman of the Pennsylvania railroad, died at his home, 236 Chestnut Street, Sunday at noon, after a lingering illness. Mr. Yeakley had been ailing for the past two years, his condition becoming serious within the last few weeks.

He was born in Virginia, February 20, 1864. He had resided in Xenia a number of years, and was employed on the Pennsylvania railroad for 27 years.

Mr. Yeakley's marriage of Miss Anna Harshman, took place April 26, 1891. His wife survived him with the following children, W. E. Yeakley, Clarence V. Yeakley, Mrs. Florence V. Jay, all of Xenia; Mrs. Marie L. Deems, Columbus; Robert, and James Ralph, at home.

Four brothers, Carson Yeakley, and Dorsey Yeakley, of Winchester, Virginia; Martin Yeakley, Troy; and Edward Yeakley, of Dayton; with one sister, Mrs. Carrie Cole, Dayton, also survive.

Mr. Yeakley was a member of the First M. E. Church and of the Odd Fellows Lodge, No. 59. Funeral services will be held Wednesday afternoon at two o'clock at the late home with interment at Woodland Cemetery.

## DIES SATURDAY

Mrs. Jennie Cooper, 71, died at her home on the Reel Road, near Dayton, Saturday evening at 9:45 o'clock.

She leaves four sons, one daughter, one sister, and one brother, all of whom live in or near Dayton. Funeral services will be held Tuesday afternoon at 1:30 o'clock at Mt. Zion Church and burial will be made in Mt. Zion Cemetery.

## He Furnishes Sunshine In the Winter

W. G. Moore, inventor.

By the remarkable invention of W. G. Moore, of London, of a specially concentrated arc evolved from electrodes made from a special alloy of rare metals, Wolfson Rays are made. When concentrated upon any spot in the human body these extreme ultra-violet rays increase the red blood cells and haemoglobin.

## MRS. E. A. GOWDY CALLED BY DEATH

Mrs. Elma A. Gowdy, 91, widow of George Gowdy, and pioneer Xenia resident, died at the Odd Fellows Home, Springfield, Sunday morning at seven o'clock. Mrs. Gowdy had suffered an attack of grip, recently, from which she had not fully recovered, and combined with the infirmities of age, caused her death.

Mrs. Gowdy was born in Xenia, November 10, 1832, and had lived all of her life in this city, until about a year and a half ago, when she went to the Springfield home to reside. Besides a number of nephews and nieces, no near relatives of Mrs. Gowdy survive.

Funeral services will be held from the Nagley funeral home, on East Market Street, Tuesday afternoon at 2:30 o'clock. Interment will be made at Woodland Cemetery. Friends may call at the funeral home at any time, Monday evening, after six o'clock.

## MRS. JANE HIBBERT DIES ON SUNDAY

Mrs. Jane Hibbert, 70, widow of William M. Hibbert, and mother of James T. Hibbert of South Detroit street, this city, died Sunday morning at 4:45 o'clock at the home of her daughter, Mrs. F. M. Krebs, 28 Filmore street, Dayton.

Mrs. Hibbert leaves two sons, James T. of this city and Louis of Indiana, and three daughters, Miss Caroline Hibbert, Mrs. M. DeFon, rector, of Cincinnati and Mrs. Krebs, of Dayton.

Funeral services will be held at the home of Mrs. Krebs Wednesday morning at 7:30 o'clock and at eight o'clock at St. Joseph's Church. Burial will be made in Calvary Cemetery.

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand.

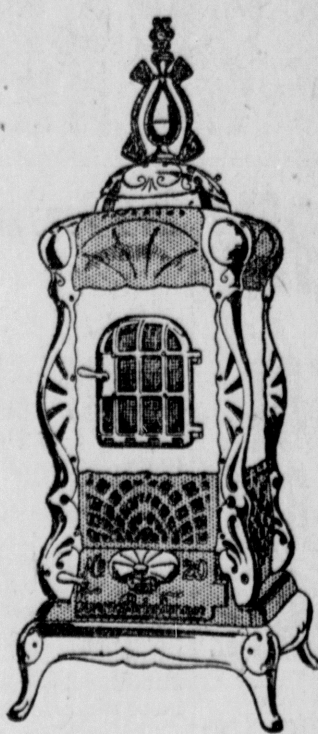

S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

**SSS. Makes You Feel Like Yourself Again**

Mrs. Jennie Cooper, 71, died at her home on the Reel Road, near Dayton, Saturday evening at 9:45 o'clock.

She leaves four sons, one daughter, one sister, and one brother, all of whom live in or near Dayton. Funeral services will be held Tuesday afternoon at 1:30 o'clock at Mt. Zion Church and burial will be made in Mt. Zion Cemetery.

### ENIA ORCHESTRA OPULAR AT DANCE.

The Harmony Kings, a Xenia orchestra, was popularly received when it furnished the music for the Elks' charity ball given at Washington C. last Wednesday for the benefit of the local Red Cross raised for Japanese relief.

The Washington C. H. Herald says: The music was furnished by the Harmony Kings from Xenia. Practically unknown among local dance circles in making its initial appearance, the orchestra scored a decided success and was roundly applauded and praised. The time was splendid and inviting to the dancers. The numbers were up to date and the orchestra played with an enthusiasm and spirit entertaining to dancers and onlookers.

### LUNCHEON-BRIDGE AT OLD BARN CLUB

Mrs. E. S. Myers and Mrs. Ward M. Huston entertained at an attractive luncheon-bridge at the Old Barn Club, Dayton, Saturday afternoon. The guests were received at one o'clock for luncheon in the club rooms, which were effectively decorated with garden flowers. Bridge was enjoyed during the afternoon. Miss Margaret Felch of Columbus, and Mrs. Wright of California, mother of Mrs. E. R. Bryant, were the only out-of-town guests.

### TO GIVE WEINER ROAST

The Christian Endeavor Society of the Friends Church will have a weiner roast, Tuesday evening. Members will meet at the church at six o'clock. For further information, call 494R or 773W.

### SOCIETY TO MEET

The Sunshine Society will meet with Mrs. J. A. Baldwin, Tuesday afternoon at 2:30 o'clock. All members are urged to be present.

Mr. and Mrs. M. L. Wolf, of North King Street, have returned from a motor trip, which they enjoyed through Indiana, and other points, during the past week.

Mrs. J. W. Benbow, of North Galloway Street, returned Friday from Springfield, where she spent a few days with friends.

Mr. and Mrs. J. W. Stevens, of East Second Street, have returned from Anderson, Indiana, where they attended the funeral of Mrs. Steven aunt, Mrs. J. S. Miller. They remained a few days with relatives.

Miss Florence Engelman, daughter of Mr. and Mrs. S. Engelman, left Friday for Pittsburgh, Pennsylvania, to enter the University of Pittsburgh.

Robert North, of South Detroit Street, will go to Richmond Wednesday where he will make his future home. He is a member of the F. Canby's Sunday School class in the First M. E. Church and Sunday he was presented with an unbreakable fountain pen as a farewell gift from the class. His brother, Howard North, will go to Richmond Saturday to make his home with his mother.

Mr. and Mrs. J. F. Harshman, of North King Street, had as their guests Sunday, Mr. and Mrs. John Swinley and daughter, Miss Bessie, of Urbana, and Mr. and Mrs. George Roup, of Springfield.

Mr. and Mrs. Otis Hiles, of near Cedarville, spent Sunday as the guests of Mr. and Mrs. A. J. Taylor, of West Third Street.

Members of the Order of Eastern Star, who are planning to attend the weiner roast, given by Mr. and Mrs. D. E. Crow, at the County Infirmary, Tuesday, will be forced to go by motor out Fairground Avenue, to the Hawkins road, to the Dayton pike, to the Infirmary.

A son was born to Mr. and Mrs. Earl McGrew, of 805 West Second Street, Friday morning. The baby has been named John William.

Mr. and Mrs. George Fulton, of Yellow Springs, visited Mr. and Mrs. Thomas McClelland, of this city, Sunday.

Mr. and Mrs. John DeWine, of North Galloway Street, are the parents of a daughter, born Monday morning.

Mrs. Jonas Bailey, of East Third Street, is improving from an attack of summer grip.

Mrs. Ovid Lowe, of South King Street, has been confined to her home for several days, suffering from summer grip.

A daughter, Eleanor Maxine, was born to Mr. and Mrs. Arthur Copsey, of the Springfield pike, Sunday morning.

Members of the Glad Community Club, and their friends are invited to Glad Church, Thursday night, September 27, for a short program, and a social time. Each family is asked to bring sandwiches, pickles and pie.

Lucy Swindler, who was operated on at the McClelland Hospital three weeks ago, brought to the home of her parents, Sunday.

Mr. Dwight Balantine of Springfield spent the week end with Mrs. Balantine, who is visiting her mother, Mrs. John A. Cooper of West Church Street.

### LODGE AND BUSINESS NOTICES

Rummage sale the 29th at Pan Yan Tea Room, Call Mrs. Haverstick. 7-21

Get it at Donges.

## CAMPING SITE TAKEN BY Y. W. C. A.

One of the most advantageous camping spots in Greene County has been acquired by the Springfield Y. W. C. A. to be used as an outing place for Springfield business girls and others who want outdoor recreation.

The site is a 25 acre tract which was formerly part of the Frank M. Corry farm, near Yellow Springs. The grounds included an area suitable for tennis courts, and high wooded land, well drained, admirably adapted for the location of a central building to house a kitchen, dining hall and lounging rooms.

The Little Miami river runs through

the tract and may be dammed at small cost to provide a swimming and diving pool. Scenery nearby is said to be inviting for hikes. Various organizations of girls in the Y. W. C. A. will endeavor to equip the grounds for outing purposes. Among the first requisites will be a well, a main shelter building, dining and cooking hall and cottages. Later it is hoped to provide an electric lighting system, power pumping for the water and other facilities. Improvement will be begun in the spring.

### ONE HUNDRED INJURED

London, Sept. 24.—One hundred and twenty-three persons were reported killed and 100 injured in an earthquake in Khorasan province, Persia, said a dispatch from Teheran this afternoon. The quake was felt over a wide area.

## ESCAPE SERIOUS INJURY IN CRASH

No one was seriously hurt when the automobile driven by P. C. Bankerd, 570 North Detroit Street, and occupied by members of his family was struck broadside by a machine driven by a Dayton man at the intersection of second and West Streets and Cincinnati avenue at 9:30 Sunday morning.

The Xenia people were turning into Cincinnati avenue when the Dayton machine traveling east on Second Street, crashed into the side of their car. The Dayton man, whose name was not learned, said he was confused by watching people coming from St.

Briggs Church and did not see the Bankerd machine.

Mr. and Mrs. Bankerd, Miss Nellie Bankerd and Billy Bankerd were shaken up and bruised. Both fenders and the running board on the right side of the Bankerd machine were smashed and a new tire torn off. The other car was only slightly damaged.

### PAPYRUS SEA SICK.

New York, Sept. 24.—A direless dispatch from the Aquitania says the Aquitania is encountering bad weather, resulting in much motion, which has had a depressing effect on Papyrus, the British champion, on his way to America to race the best American 3-year-old on Oct. 20. The great horse seems listless and is without any appetite. His mouth is dry and he refused to lie down during the night.

### ALL ODD FELLOWS

please meet at hall, Tuesday evening, at 7 o'clock, for Brother Chas. Yeakley's funeral services.

## CONVICT RELEASED FROM PENITENTIARY

Harvey Ward, 30, colored, sentenced to the penitentiary in November, 1917, from this county to serve ten years for second degree murder, has been granted his immediate release by Governor A. V. Donahay.

Ward was convicted of killing Seth Hardin, fellow workman, with a rock during a quarrel while the two were working on conservancy work at Osborn. Harding is alleged to have stabbed Ward first and Ward threw the rock at Hardin, hitting him on the head and causing his death.

The commutation of sentence was recommended by the State Clemency Board and was not opposed by former Judge C. H. Kyle, who sentenced Ward or by Attorney Harry D. Smith, who was prosecuting attorney then.

## NEW PASTORATES ARE ANNOUNCED

Columbus, Sept. 24.—Announcement of appointments for new pastorates and the selection of the city where the next meeting will be held to close the annual Ohio Conference of the M. E. Church here today.

American participation in world affairs, enlarged evangelistic program, and the uplift of mankind through those gifts of God, material wealth and intellect, were urged by Bishop William F. Oldham, in delivering the annual sermon Sunday.

Four ministers were ordained as elders, at the afternoon meeting Sunday.

### Andrew J. Hale

Andrew J. Hale, Civil War Veteran and aged railroader dies at West Jefferson.

### OBITUARY.

So we have come today to the final farewell of a veteran of the Civil War.

After almost a century the last chapter of his life having been finished on Friday evening at 9:30 o'clock, September 14, 1923, he closed the book, having lived 93 years, 8 months and 3 days.

Andrew J. Hale was borne January 11, 1830, in Muskingum County, Ohio. He has spent most of his life in and around West Jefferson. He was united in marriage to Miss Nancy Sly, July 7, 1859, and to this union were born 9 children, 4 boys and 5 girls, Emma, Frank, Ora, Harry, Blanche, Lizzie, Charles, Goldie and Frank B., all together with the mother, have preceded him, except Charles at home, Goldie now Mrs. Clinton Monigold, and Frank B. of Sequim, Washington.

Eight years ago the wife whom he had walked with more than 57 years, was called home and since then he has been tenderly cared for by his son, Charles and wife who gave to father love and devotion, making his last years pleasant. He had been in failing health for several years and confined to his bed for more than 8 months. But all this time he was patient and grateful for the many acts of kindness shown him by his family, neighbors and friends.

He began to work for the Pennsylvania Railroad Co. in the year 1863, and continued in service on the railroad until 70 years old, when he was placed on the pension list and has enjoyed the rest that comes to those who are faithful.

On the out break of the Civil War Comrade Hale enlisted in Co. K, 95 O. V. I. on August 7, 1862, and was honorably discharged January 24, 1863. He always enjoyed the Camp Fires held in the old G. A. R. Hall, and never seemed happier than at these meetings.

The taps have sounded, the light has gone out. He has taken his last march; he has helped to decorate his fallen comrades graves for the last time, and now he has lain down to rest and has joined another army where there will be no discharge, for the Great Commander of us all will care for us all through eternity.

To the last it seemed as if death had no sting; the grave no victory, unseen hands were beckoning him across and he joyfully answered the call.

He has gone, to come back no more; but God's word gives us the glorious hope of meeting him again in that "Beautiful City," not made with hands, but eternal in the heavens. In our sorrow and grief, we are apt to forget that what is our loss is his gain, that he has gone to a sunnier clime there to await the dawning of another world where tears and sorrow are unknown, and where the new life will be ushered in bringing all the joys of an eternal existence. It is this hope that enables us to say with the psalmist of old, "Yea though I walk through the valley of the shadow of death I will fear no evil; thy rod and they staff they comfort me."

When asked by the daughter-in-law about the future he looked up into her face and smiled and said there was no fear he was ready and only waiting.

He leaves to mourn their loss two sons, Charles and Frank B., and one daughter, Mrs. Goldie Monigold, three grandchildren, Fredrick, Clyde and Robert Candell, besides other relatives and friends.

His funeral was held at his late home on Monday afternoon, Sept. 17, 1923, at 2 o'clock, conducted by Rev. E. E. Moon, and burial in Pleasant Hill Cemetery in charge of J. A. Bear.

A Friend,  
Anna J. Lambert.

### CARD OF THANKS.

We wish to thank our neighbors and friends for their many acts of kindness to our father, Andrew J. Hale during sickness and death.

Charles Hale and Wife.

## POLICE COURT

### MACHINE IS RECOVERED

A Ford coupe belonging to Dr. R. R. McClellan, and stolen from where it was parked near his office on East Second street, Saturday night, was recovered Sunday afternoon, near Jeffersonville, where it had been abandoned.

The machine was taken sometime between eight and 9:30 o'clock and was reported to Police shortly afterward. Police advanced the theory that narcotics in the medicine case may have resulted in the theft. However, the case contained only about three grains of morphine. The medicine case was found unharmed when the machine was recovered.

### SENT TO JAIL

James "Biddy" Seldombridge, 52, arrested for possessing liquor Saturday afternoon was fined \$100 and costs by Police Judge E. D. Smith and sent to the County Jail.

Seldombridge was arrested by Patrolmen Sowards, Simms and Spencer. Police say a half-pint of corn whiskey was found in his possession. It was confiscated.

### FINED ON CHARGE

Lindsay Vance, 45, was fined \$5 and costs by Judge E. D. Smith in Police Court Monday morning when arraigned on a charge of plain drunk. Vance has 12 children.

Police say Vance walked into Police Headquarters Saturday afternoon intoxicated and was immediately locked up by Chief of Police M. E. Graham. He had come to Police Headquarters to report "Jug" Little had beaten up on him, and he bore marks of the conflict in a cut lip and cuts on his head. It is said he had been drinking "rubbing alcohol."

### HALED INTO COURT

Tom Stewart, colored, was fined \$200 and costs and sent to the County Jail by Judge E. D. Smith in Police Court Monday morning on a charge of possessing liquor.

Stacker Lee, 48, colored, of East Main street and the Jasper pike, entered a not guilty plea to a similar charge and his hearing was set for Tuesday afternoon. Both were arrested by Patrolmen Spencer, Thompson and Simms Sunday morning about 1:30 o'clock. Lee was said to have had a half-pint of corn whiskey and Stewart, Sol Ewing and H. R. Roots, all colored, were arrested for loitering. At the hearing Monday morning Stewart claimed ownership of the liquor and was fined.

### FINES ARE ASSESSED

Fines ranging from \$10 and costs to \$25 and costs were meted out by Judge E. D. Smith in Police Court Monday morning to five men arrested by Patrolmen Simms, Thompson and Spencer about 3:30 o'clock Sunday morning.

Patsy McNellis, 45, was fined \$25 and costs for drunkenness and resisting an officer. Micheal Leahay, 29, was fined \$25 and costs for

plain drunk. Dan Rowan, 32, was fined \$10 and costs for drunk and disorderly conduct and Charles Sherry, 38, was fined \$10 and costs on a similar charge. James Comfort, 38, entered a not guilty plea and his hearing was set for Tuesday afternoon.

### LEADS RAIDS SATURDAY

Chief of Police M. E. Graham led a number of raids on alleged liquor vending places in the East End Saturday night, that resulted in a basket full of half-pint bottles of corn liquor being confiscated but no arrests being made.

The raiding party included Patrolmen Thompson, Simms and Spencer armed with warrants issued in Police Court for a number of places. The officers used the new police car. The basket full of liquor is believed to be the property of a colored resident.

No liquor was found on the premises, but the basket was found on adjoining property and within easy reach through the fence. Police say the man reached through the fence for a bottle every time a customer appeared, but as the liquor was not found on his property he could not be arrested.

## BREEZE BETRAYS BIG DISTILLERY

Cincinnati, Sept. 24.—Guided solely by the breezes, which carried the odor of moonshine to their nostrils, police last night uncovered one of the largest and most complete distilleries ever detected in this city. In addition to two stills, the officers confiscated a large quantity of moonshine materials. They arrested a 61 year old negro who told them he was employed by another man to operate the stills and that he received \$70 a week, and was to get a commission on all sales. Police estimated that the stills cost \$5,000 and that they could turn out more than 2,000 gallons of liquor a week.

### EAST END NEWS

PAIGE BUILT

## The New Jewett Six Brougham, \$1325

Lasting Lustre, Baked Enamel Finish by New Process

QUITE the smartest car the season has produced—just the achievement you'd expect from Paige engineers. Jewett Six Brougham at but \$1325 gives peak quality—the best value the Paige organization ever produced for the money.

How Jewett Brougham steel body panels are enamel dipped for separate baking

The lasting lustre finish is the result of a new process. Each steel body panel is separately dipped three times in finest black enamel, then baked—then separately fastened to the extra-large, extra-strong wood body frames. Wood frames—not steel—because wood reduces noise, absorbs vibration. Lift the rear seat cushions. See the steel body

panels enameled on the inside, too—no rusting possible.

Never before could this finish be placed on a wood frame body. The intense baking heat would burn the frames. But separate pre-enameled and baking give you a car of lasting lustre. It gives the Jewett Six Brougham the rich black gloss all over the car, seen only on fenders of other cars. Trust Paige to contribute such a step toward lasting good looks!

Full, roomy comfort for five—extra long leg room in front. Two individual front seats which both fold forward, give easy entrance and exit from either side. Rear seat is of full width for three. Interior finish the kind you'll be proud of. Upholstered in velour. Remove the rear seat cushion and there's room for sample trunk or cumbersome baggage. Commodious trunk; on rear is extra well made.

Like all Jewetts the Brougham has full 50 horse-power, Paige-built motor that fills the hood.

Hollow crank-shaft high pressure oiling system gives silent smoothness and long life. Paige-Timken axles front and rear; ball-bearing steering spindles; 6-inch-deep frame. Ruggedness throughout that explains Jewett's acknowledged stamina.

Jewett Brougham performs like all Jewetts—goes from 5 to 25 miles an hour in 7 seconds, in high gear, from 2 to 60 miles an hour, in high. Passes most any car on any hill. Gear shifting is rare, and easy when you do shift.

Business men, salesmen, farmers, wives with children to look after—everyone will welcome this new Jewett Brougham. It is smart in appearance—permanently good looking. No apologies for the looks of the finish—requires no attention but washing.

We are proud to have you drive this new 5-passenger Brougham yourself for any kind of a test you want—performance, comfort, good looks, safety and for convenience.

## ANTIOCH DEFEATS CEDARVILLE 25-9 IN OPENING GAME

Coach John A. Talcott's Cedarville College eleven fumbled its way to a defeat at the hands of Antioch College in the opening game of the season at the Yellow Springs oblong Saturday afternoon. The score was 25 to 9.

A 40-yard run with a punt in the second quarter by Markie kept the United Presbyterians abreast of Coach Earl Prugh's pastimers in the first half which ended 6 to 6, but erratic defensive work and some brilliant open field running, enable the Yellow Springs tribe to score 19 points in the third quarter. A pretty drop kick from the 35 yard mark by Larry Currie, former Central High star, topped off Cedarville's scoring in the final quarter.

Antioch presented a better coached and better trained eleven than did the Cedarville gang. Talcott's charges showed plainly the effects of only eight days' coaching they have received. They fumbled consistently, ran their shift plays too slow and tackled poorly. More consistent playing would have given them the victory. Although Antioch showed the need of more training Prugh's athletes will also stand considerable polishing off before facing Wittenberg this week.

Neither team gained consistently on straight football, most of the scoring being of the freak variety. In the matter of straight attack the teams were evenly matched. The initial period ended scoreless but Jerry Light broke through the scoring ice in the second period as the conclusion of one of Cedarville's costly fumbles. Light raced 55 yards with the loose ball.

Cedarville gained consistently after this scoring carrying the ball to the 15-yard line, where Peters fumbled, and Boyd recovered. Antioch punted and Markie caught the partially blocked kick near the sidelines. Currie missed the attempted place kick. With the teams neck and neck Kitchen took the heart out of Cedarville when he blocked Currie's kick on Cedarville's own ten yard line and picking up the oval dashed across the line for Antioch's second touchdown. Reiners furnished the feature in this quarter when he recovered a punt from Currie's toe on his own two-yard line and evading the Cedarville flanks and secondary of fence ran 98 yards for a touchdown. A series of line plays and forward passes permitted Reiners to score with the final tally in the third quarter.

Captain Walker Taylor, Cedarville end and former Central High star, played a wonderful defensive game for his team, his tackling being sure and accurate. Many Cedarville tackles were loose, however especially so in attempting to draw down McWhorter and Reiners, Antioch's slippery open field runners. Peters at quarterback, ran his shift plays too slow and fumbled frequently. Markie, Currie, Arthur and Craft played well for Cedarville. Antioch's line is nothing to brag about especially on the left side, where frequent substitutions made, seemed not to improve it. In McWhorter and Reiners Prugh has a set of shifty backs, who would shine brilliantly if the team was permitted to play in its class instead of going out of its way to be used as a punching bag for such Ohio Conference teams as Wittenberg and Miami.

Scoring: Touchdowns—Antioch, Light, Kitchen, Reiners (2); Cedarville—Markie. Goals from touchdown: Ditweiler, 1 (goal from placement). Field goals: Currie. Substitutions: Antioch: Godlesky for Schantz, White for Owings, McWhorter for Connor, Wheeler for Bell, Leigh for Boyd, Boyd for Leith, Ball for Kitchen. Cedarville: Webster for Kyle, Townsley for Lovel, Referee: Reese, Denison; Umpire, Abbott, Syracuse; Headlinesman: Lynch, Antioch.

### TOURNAMENT IS HELD.

The Wilberforce Athletic Club was holding a closed tennis tournament Monday afternoon in preparation for arrangements for the Western Association Tournament at Wilberforce, in August, 1924. Theodore C. Carter, and others are in charge of the tournament.

## GIVES TWICE THE HEAT AT HALF THE COST

### Burns Oil in Any Stove

..... GIVES TWICE THE HEAT  
A wonderful new burner which works in any coal or wood stove or furnace is the proud achievement of the International Heating Company, 119 South Fourteenth St., Dept. 3368, St. Louis, Mo. This remarkably simple and inexpensive invention heats stove and oven in half the time and does away with all the dirt, ashes, and drudgery of using coal or wood. It gives the convenience of city gas at half the cost. It can be put into any stove in a few minutes and gives a tremendous heat controlled by a simple valve. The present high price of coal makes it a great money saver. The manufacturer offers to send this remarkable invention on 30 days trial to any reader of this paper. They are just now making a special low price offer. They also want agents. Write them today.

## DREAM OF RED SOX FADES IN THIN AIR WHEN BAYLIFFS POUND OUT ENORMOUS VICTORY

By Wones

The Xenia Bayliffs are still City and County Champs. They successfully defended these titles Sunday afternoon at Washington Park against the Xenia Red Sox, overwhelming the colored boys 27 to 2 in seven innings.

King Davis, star twirler for the Red Sox started on the rubber for the east end gang. His control was not good and the result was that he walked six and fanned seven. His sharp breaking curve that has been a complete puzzle to other baseball nines was anything but effective against the Bayliff clouters who knocked his offerings to all corners of the lot. Jones took his place in the fourth but he was as wild as Davis and passed five batters. His pitching was no more effective and in the fourth the Bayliffs scored 15 runs off of Jones. Of course all of the markers were not earned. Neither Jones nor Davis was given very good support, something like 12 errors being made by Pete Green's outfit.

Bob Herman was Manager Bayliff's choice for mound duty and this lad did a neat job of it. Bob came mighty near to the hall of fame by letting the colored lads down with two bingles. He fanned three and walked one, and was complete master at all times.

He was given nice support by his mates who made few errors behind him. Herman was responsible for one of them when he made a wild heave over first.

The Bayliffs scored in the first inning after Furman walked and took third on Davis's wild peg to Shoecraft. Longnecker doubled and Furman and Kavanagh scored. The Bayliffs added another in the second. Tracey walked and stole second and went to third on a passed ball and scored on Davis's wild pitch.

The real slaughter started in the fourth inning when the Bayliffs scored 15 runs. They also added nine more markers in fifth.

The Red Sox scored in the fourth. Warner was safe on Early's error and took second on Webb's sacrifice. Davis singled to left scoring Warner. The Red Sox got their last tally in the sixth. Thompson doubled and went to second on an out and scored Warner's sacrifice.

The whole Bayliff team played nice ball but the work of Longnecker, Catton, Kavanagh and Shuey stood out. Longnecker had seven chances at second without an error.

Next Sunday the Bayliffs will play Miamisburg at Washington Street Park.

dry amendment and the Volstead act, and argument of demurrer will consume practically the entire day. Should the demurrers be over ruled, it is intimated defendants counsel are prepared to demand bills of particulars and as a result delay in opening trials next week are expected.

Hearing of contempt proceedings against Sheriff Harry T. Clouse for permitting a federal prisoner to leave the jail, while in his custody, were not completed when court recessed last night and will be resumed Monday.

## Gypsy Girl Is Begging For Education

Eighteen-year-old Rosalia Bimbo, who was born and reared a gypsy and who has roamed all over the world with the tribe of which her father is king, ran away from the tribe in Chicago and presented herself to Assistant State's Attorney William J. Grace, in the Juvenile Court, with a plea that he assist her to adopt a life of civilization and permit her to secure an education. Her father believes, she says, in keeping women in ignorance. She had much to say of the inborn chicanery of the gypsy and expressed a desire to lead an honest life.

### ENDS LIFE IN HOTEL

Cincinnati, Sept. 24—The body of Ellwood I. Ifill, member of a prominent Philadelphia family was sent to that city yesterday. Ifill ended his life in a hotel here late Saturday.

## Professor Anderson's Food Creations

### Whole grains steam exploded

Quaker Puffed Wheat and Quaker Puffed Rice are Professor Anderson's inventions. The grains are steam exploded—shot from guns. Over 125 million steam explosions are caused in every kernel. Thus the food cells are broken for easy digestion, and the elements are fitted to feed.

### Flaky, flavory puffs

Quaker Puffed Grains seem like food confections. The airy grains are 8 times normal size. The fearful heat gives them a nut-like taste.

Quaker Puffed Rice is the most delicious cereal dainty breakfast ever brought, and millions now enjoy it.

### Minerals—vitamines—bran

The supreme dish at night time is Quaker Puffed Wheat in milk. The wheat supplies 12 minerals which growing children must have. It supplies their need of bran. Milk supplies the vitamins.

If you want your family to eat more whole grains and more milk, then serve them this enticing dish. Let no day pass without it.

## RINK DEDICATED AS PLACE OF WORSHIP BY LOCAL K. K. K.

What was claimed to be one of the largest crowds ever attending a religious service in Xenia, was present Sunday afternoon, at the dedication of the rink as the Greene County K. K. K. Church. The rink recently has been transformed into a place of worship.

Arrangements had been made to seat 2,300 but before the ceremonies began every available seat was filled, and the side walls were lined. Hundreds were turned away, it is said.

At the opening of the services the Junior Order marched down the aisle, carrying an American flag, and took their places at the altar.

C. C. Woodward, county organizer, after a few remarks introduced a Dr. Smith, of Butler County, who painted a vivid word picture of the founding of the K. K. K.

Following Dr. Smith's address, a Rev. Myers of Columbus, in speaking of the political side of the organization, said that the klan had been called a political machine, an allegation which he denied. "It is the purpose of the organization to have but one government in the United States," he said. "It will be a government for all the people, promulgated and carried on by the consent of the governed."

At the conclusion of the Rev. Myers' talk, a Mr. Baumgardner took up the principles of the organization, which he said consisted only of "the tenets of the Christian religion; protection of pure womanhood; law and order; separation of church and state; one school; one flag and one language."

"The time will come," he said, "when government will be taken out of the hands of bossism, and placed in the hands of the American people. We do not hate anybody. We are not against the Negro, not against the foreigner, insofar as we want the foreigner of the better class, and do not want America made the garbage can of all Europe. We are not against the Roman Catholics. We stand for the best principles of church and state and the principles of Christ. We take an oath to dedicate our property and our hearts to the defense of our country. The 100 per cent motto, which klanmen have adopted, is an ideal, which they seek to attain, and stands for 100 per cent allegiance and loyalty."

A Xenia quartet gave several selections, and Mrs. Raymond Wolf, sang a solo, "The Old Rugged Cross." The key to the new church was presented to Dr. R. L. Haines, who accepted it in behalf of the organization. Announcement was made that hereafter every Sunday afternoon, religious services would be held to which the public is invited. It was also stated that on October 27 a klan demonstration would be held in Xenia, and that the ceremonies would be open to the public.

## BRINGING UP FATHER

## TWO ARE KILLED NEAR TREBEINS AT GRADE CROSSING

Floyd Howard, 35, colored, of 222 Franklin street, Dayton and his wife Ada Howard, 37, were killed and Mrs. Mary Smith, 15 Catherine street Dayton, was injured when their automobile was struck by west bound Pennsylvania passenger train No. 31, at the Valley Road crossing near Trebeins, Sunday morning at 9:05 o'clock.

Howard, was driving over the detour, in use while the Dayton and Xenia pike is being repaired, drove his machine on the tracks apparently without knowledge of the approaching train. The train was traveling at a high rate of speed to make up lost time, and the machine was carried several hundred feet. Howard was dead when trainmen reared the wreckage.

The accident victims were taken to Dayton on the train after Dr. W. A. Galloway, railway surgeon, had been summoned, and the women were removed to Miami Valley Hospital. Mrs. Howard died there Sunday night. Mrs. Smith was only slightly hurt, and was able to leave the hospital shortly after noon.

The train, in charge of Engineer A. Schott and Conductor J. S. Willis of Columbus, was due in Dayton at 8:30 o'clock but was running about an hour late. The right-of-way near the accident is visible in both directions for several hundred yards. The Ford machine was demolished.

Coroner R. L. Haines, of Greene County, was called to Dayton to investigate the accident, because it took place in this county.

## SKETCH SUBJECT

Mrs. Helen Peters Wallace 2123 Lyray Avenue, Walnut Hills, Cincinnati, niece of Miss Emma King, this city, was the subject of a sketch, "Mirrors of Cincinnati," in the Cincinnati Times-Star, recently. Mrs. Wallace is the president of the Y. W. C. A. of Cincinnati, and has served

that organization and other important causes for some time. She was for a number of years a member of the National Board of the Y. W. C. A. During the World War she was chairman of the land army work, and also directed social service for Negro girls, doing war work in various industries. Mrs. Wallace is a Vassar student.

## GREENE COUNTY IS WELL REPRESENTED

Knights of Pythias Orders, and their sister organizations, the Pythian Sisters, of Greene County are well represented at the Grand Lodge, K. of P. Meeting, at Toledo, this week.

The following representatives from the county, will attend the convocation, September 24, 26: H. H. Smith, Ivanhoe Lodge, Xenia; M. F. Burrell, McKinley Lodge, Bellbrook; B. D. Merrick, Silver Star Lodge, Alpha; Ira Skyles, Cyclone Lodge, Jamestown; Frank Hazen, Clifton Lodge; Mr. Jolly, Osborn Lodge; Mrs. L. D. Ball, Xenia Pythian Sister Lodge; Mrs. Skyles, Jamestown Pythian Sisters.

## ISSUES WARNING TO XENIA PEOPLE

Housewives, boarding house keepers and others are warned against the operations of a stranger, who claims to be a representative of The Ohio Bell Telephone Company.

According to H. W. Cleaver, commercial manager of the telephone company here, a stranger has been posing as an advance agent for a gang of workmen employed in reconstruction work here by the company and in that capacity has obtained room and board on the promise that the telephone company would pay the bills. People approached by anyone representing himself to be an agent engaging living quarters for workmen being brought here for the telephone company should call Main 1200 to make certain he has such authority.

## Only Existing Picture Of Adolf Hitler.

Adolf Hitler

This is the first and only known photograph in existence of Adolf Hitler, the much-talked-of leader of the German National Socialist Party, the German Fascists, which has gained so much ground in Bavaria.

## A WIFE'S STORY

By Jane Phelps

### DAVE LOGAN'S VISITS DISPEL LONELINESS

Chapter XXXV

As Paul remained out more often, Dave Logan's visits grew more frequent. Now he would drop in of an evening and sit with me a while telling me of the latest play he had seen or the general news of the day. I welcomed him gladly. I was lonely, and wasn't he our best friend?

Gradually I grew to expect him, to feel disappointed when he did not come. Often I thought: how could Evelyn Markham be so mistaken in him? It might be it was some personal feeling on George Markham's part, something connected with business that had made him bitter against Logan.

It was Logan who kept me supplied with the new books and magazines with which I whiled away the long evenings alone. It was he who sent me tickets to the Saturday matinees, always three, so I could take the girls. It was he who sent his car on pleasant days telling me to use it for shopping or pleasure. And when I refused to use it seemed hurt.

I invariably told Paul when Dave Logan called, spoke of the books and magazines he brought me; I had nothing to hide, no feeling but that Logan's kindness was due to his liking for Paul.

"He's got scatters of money, why shouldn't he give you books?" Paul said carelessly.

"Many people who have money are neither so kind-hearted nor so thoughtful," I replied. "He is a very wonderful friend to you, Paul."

"Men of his stamp are very apt to like to associate with men intellectual-

ally their superiors," Paul returned. "They feel it a compliment that we I said no more, what use to talk against such egotism?"

After my talk with Paul about his debts I once more began to economize even more strictly. I ceased inviting people to dine, asking them for an evening at bridge or an afternoon tea instead. Simple refreshments would serve and be far less costly than a dinner. I had bought new clothes as we needed them, but now I bought nothing save as it was an absolute necessity. I would help Paul catch up again. I mentioned this to him when the first of the month came around, saying he would find fewer bills and those greatly reduced. I got no thanks. He grumbled:

"I won't have you pinch and get to looking like a frump again and I won't have people talking about your economies. I told you I should soon have more money, and I won't have people discussing my affairs, poking their noses into my business—as they will if you scrimp now and then we are able to live as we should. Buy what you need. The bills will be paid."

Dave Logan too, had noticed my attempts to economize, he questioned me and I admitted I feared Paul was too optimistic that I wanted to help him.

"We are getting older Dave," I told him. "The girls are almost young ladies now. We must have something for our old age, for them if we can."

"They are sure to marry well, especially Joan. She is very attractive. You talk about being old why at 31 you are far more interesting than you were ten years ago—and handsomer."

"Thank you for those kind words," I laughingly replied "but sometimes I feel 60. But seriously Dave, I am anxious to begin to save. Paul is greatly influenced by what you say I wish you would advise him to look up for the

rainy day that comes to most every one."

"No rainy day will ever come to you if I can help it," Logan replied seriously, a look in his eyes I could not fathom. But I took his words as a promise to keep Paul employed; to mean that because of giving him employment I need not worry.

I was old enough to have better judgment but because of the life I had led was more innocent of many things than was Joan, even than shy, quiet Laura. My husband my only lover, my simple home life before I met him and my hard, anxious life since, had made a singularly unsuspecting glad to accept friendship where I found it. And with all Paul's careless ways, his many faults of character I never doubted his faithfulness any more than I would have my own. I was his wife I loved him. He was my husband and was true to me.

I was not the type of woman who looked for trouble. I never thought of being jealous assured there was no cause.

Tomorrow—Logan Inspires Distrust Of Paul

## MISSION TO OPEN WEDNESDAY NIGHT

The ministerial team that will have charge of the week-end evangelistic mission which opens at the First Baptist Church, this city, Wednesday night, was announced by the Rev. R. E. Brown, pastor, Sunday morning.

The team will be composed of four pastors, besides other visiting ministers, who will assist in the services. The Rev. W. K. Staley, and the Rev. M. F. Scruby, of Dayton, the Rev. M. L. Long, district secretary, and the Rev. C. H. Stull, Granville, state secretary of the Ohio Convention, will open the services Wednesday night at 7:30 o'clock. Two sermons will be delivered each evening according to the Rev. Mr. Brown. The mission will close Sunday.

## Health Hints by the Father of Physical Culture

Milk is the greatest of all diet cures. It is already scientifically combined.

I have personally secured benefits at different times in my own life that could not be measured in money value.

John D. Rockefeller, the richest man in the world, advertised nearly thirty years ago and offered a million dollars for a new stomach. I never heard of any one accepting this offer, but a short time after that reports were frequently circulated of his interest in outdoor life, golf, etc., and now, at his greatly advanced age, it is reported that he lives exclusively on milk; that he is maintaining his life at his present great age because of this simple diet.

The milk diet, properly prepared for and properly used, is capable of bringing about miraculous changes in the physical organism.

There are times in the life of every human unit when the milk diet can be of extraordinary value.

It will undoubtedly give you more life while you live and it may actually save your life in a crisis when a simple, invaluable food can be used advantageously.

Indeed, the food value of milk can hardly be overestimated. This may be better visualized by remembering that a quart of milk equals in food value three-quarters of a pound of beefsteak, two pints of oysters, eight eggs, two pounds of chicken, three-fifths of a pound of pork chops, or three pounds of fresh codfish.

When one is securing, then, from four to six quarts of milk daily (the usual amount taken on the full milk diet) one can see that the body is securing a large amount of most valuable and wholesome nourishment. Owing to the selective action of the cells of the body and because every necessary element is furnished to normalize functional processes and make it unnecessary and practically impossible for the cells to take up an excess of a certain element, all of any particular element that is supplied above the absolute demands of the human economy for wear and tear, maintaining and increasing weight, and repair work is expelled from the body through normal eliminative channels.

This is decidedly opposite to the action of the system when given the usual conventional diet. In such a diet the system is not supplied with every requisite element, but receives some far in excess, with few corrective, normalizing elements. The final result is an exhaustion of certain functions and a deposition of toxic elements in certain tissues.

Limited space does not permit of extended instruction here, on how to get on a milk diet so I will have to deal with this in another article.

## Men are wondering about the new Fall Models--and here they are--and they are wonderful

Fall 1923 is going down in Clothing History as the Sir Walter Raleigh season in a decade.

Such polite fashions—such a relief from belts and buckles—such a safe and sane showing of unadorned elegance has never been put forth in one season since the Centennial.

Coats are fuller in shoulders—trousers roomier of leg—and the range of patterns is miles wider and fathoms deeper than clothiers sprung this Spring.

Come—it doesn't cost a cent of money to try on and find out what to discard and what to keep on.

Just now we are featuring pencil stripes in our window. See these new models today.

New Fall Suits

\$30 TO \$55

Stetson Hats.

New Top Coats.

**The Criterion**  
A Store for Men and the Boys

South Detroit Street.

Xenia, Ohio.

## Two Women You Know

THERE'S the one who puts on her street costume, dabs a bit of powder on her nose and sallies forth to shop. She looks here, there and everywhere. She hunts and hunts and h u n t s. When she arrives back home she is jazzy and jaded—all mussed up, mentally and physically.

There's the other who really has learned the shopping art. She reads the advertisements before she starts out. She finds out exactly what she wants and where to get it. Then she goes straight down-town and right to the store that has it. In this way she saves time, money and effort. She comes home fresh as a daisy and ready to get the family a good dinner instead of wishing they could go to a cafeteria.

And the moral is—"A Straight Line Is the Shortest Distance Between Two Points."
